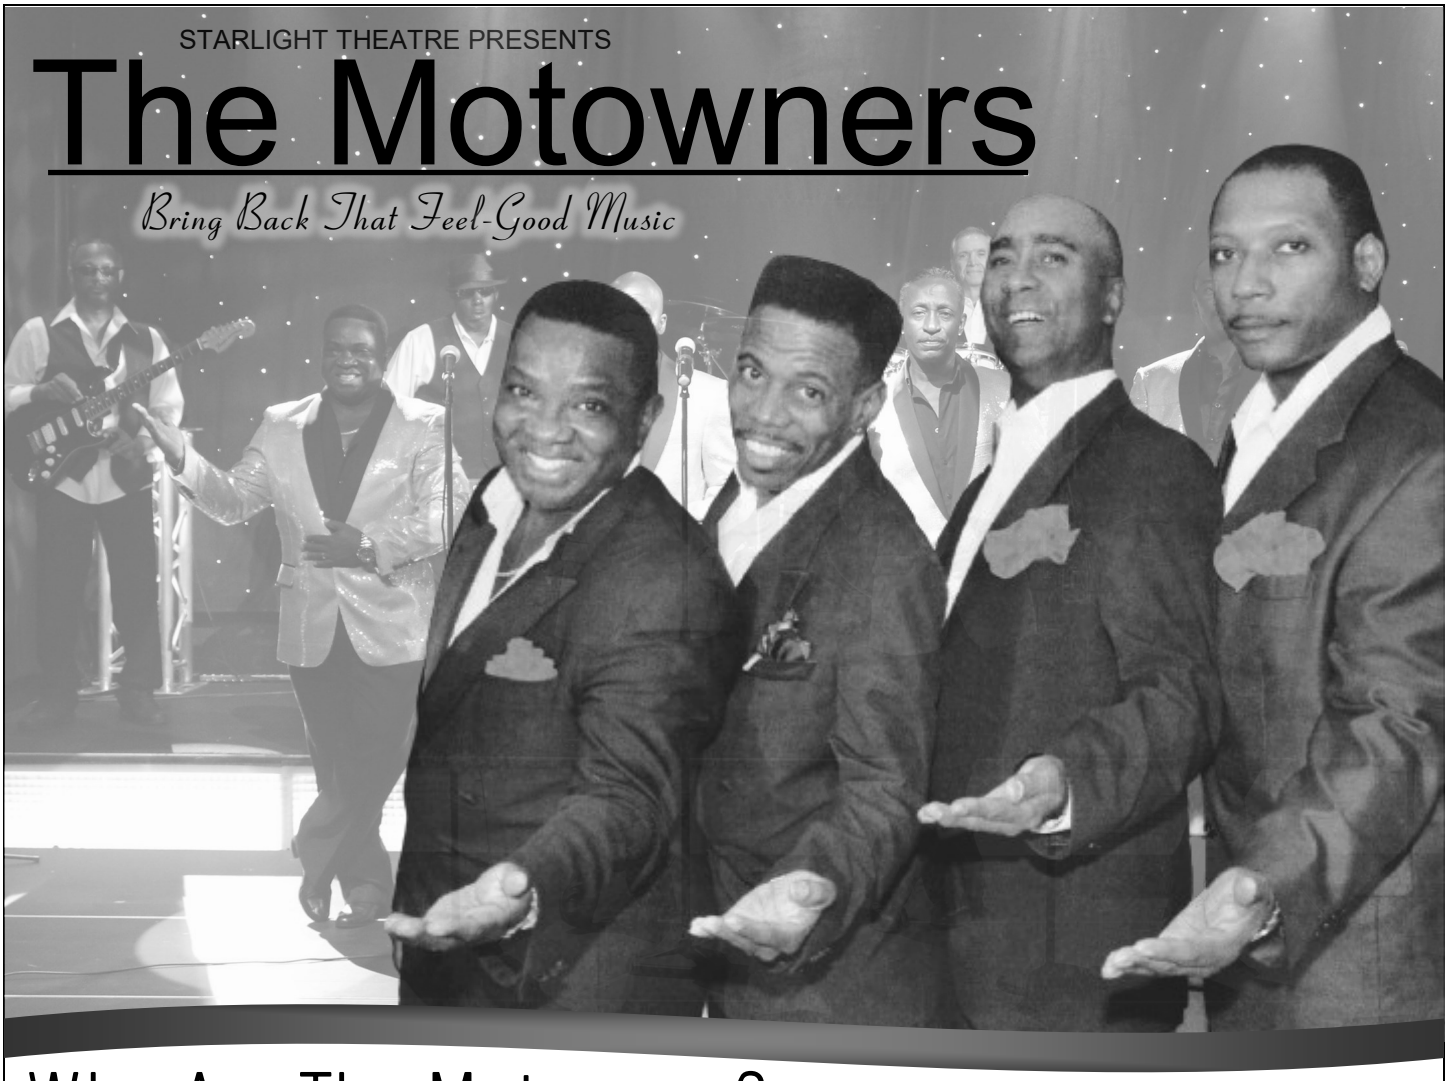
The Motowners

Bring Back That Feel-Good Music



Who Are The Motowners?

This up-beat show of four singers will perform a song and dance tribute to the legends of Motown and the Big Band Era. The group will take you back in time to the glorious days of Duke Ellington, Cab Calloway, and Etta James. From that time line the group moves on to The Doo-Wop era of the Platters. The second half of the show is a tribute to Motown, performing classics by The Temptations, The Four Tops, Smokey Robinson, and The Supremes. The group closes out the show with classics from the disco era.

In January 2010, Derrick & The Motowner's enjoyed a four city tour in Spain. This included Barcelona, Bilbao, Zaragoza, and San Sebastian. In March of 2011, they opened for the legendary Spinners at the city of West Palm Beach's "One Year Anniversary of Centennial Square".

In October of 2012, the group was asked to perform for first lady Michele Obama. Let's enjoy the 50's and 60's as The Motowners take you on a walk downtown with the sounds of Motown.
