"I just had the best experience a person can have with a realtor. Judy Eller is the name. Judy knows everything there is to know about selling a home.

Not only did she advise me on the price points but she was helpful in negotiating with the buyer. I recommend Judy highly."

-Richard F.

"We listed with Judy and our property sold within days. She represented us very well. Judy helped us to find our beautiful new home here in Lakes of Delray. Judy's knowledge, patience, dedication & integrity made her a great choice. We could not be more satisfied."

-Lisa & Harold

"Judy helped me when I unexpectedly inherited my aunt's apartment. She was my eyes and ears in Del Ray as I am in New York. Judy was extremely patient as we hit some snags with the probate court and was effective in working with both me and the buyer. I would highly recommend working with Judy for your real estate needs. 5 Stars!"

ATTENTION RESIDENTS

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard.

DO NOT go over to the Guardhouse yourself.

What's Buzzin' Around?

Here's an example of what can be done when a group of committed residents put their minds and hands together in a community effort to improve where they live. Several residents at Watersedge D drew inspiration from what they saw at Watersedge B to create a very attractive multi-use area in one of the common spaces at the building. The benches were made possible through donations by residents and include lovely memorial plaques. They even dedicated the space with a celebration.

Marriage of Barbara Saletan & Paul Knapp

After meeting in a bereavement group on zoom, longtime LOD resident Paul Knapp & Barbara Saletan were married April 27th. Congratulations to the newlyweds in Watersedge D.

President's Message

By: Bob Berger

As of the time I am writing this article we are still waiting for Palm Beach County to approve the permits for our infrastructure jobs. Zarco Construction has told us the best-case scenario is that the work will begin in early May and the worst-case scenario will be the work beginning in early June. We will keep you updated as to when the work will begin via email blasts.

There have been many rumors about the expansion and opening up of Sims Road from Atlantic Avenue to Linton Blvd. Some of the rumors say that the bridge over the canal that is needed to get to Atlantic Avenue will be built shortly and Sims Road will then be opened up to all traffic. I heard a rumor that only emergency vehicles headed to Delray Medical Center would be permitted on Sims Road if it is opened up. I have checked with the County and the definitive word is that there are currently no plans to expand and open up Sims Road. Therefore, even if the County decided tomorrow that they want to open up Sims Road from Atlantic Avenue to Linton Blvd it will take years to formulate the plans and then build the bridge over the canal and it will be years before Sims Road could be opened up to through traffic. So, for now, Sims Road will remain as is and traffic will continue to be only to our rear gate.

And finally, a Presidential food review for you. On Friday May 19th we have scheduled a dinner and a movie event. The movie will be Woody Allen's "Bananas" and we will have two food trucks. One truck is a hibachi truck with Asian food and the other is from an incredible bakery located in Boca Raton, called "Just Baked". They have the best brownies I have ever tasted. Some of you have asked me, "Are these those funny brownies"? and the answer is no, they are regular brownies, but they are made with Ghirardelli chocolate and they are outrageously good. You do not need to be a doctor of delectable or a brownieologist to enjoy them. But if you like brownies, please come and give them a try.

Meditation Meadow/Exercise Trail

By: Jayne Kulyassa

Last month, I talked about safety and cost. This month, I plan to look further into detail about the county guidelines for crosswalks. We understand we are a private community and can do whatever, but we thought it best to follow some sort of rules and regulations for crosswalks. Next, Ron and I plan to price pavers. They are needed to secure whatever material we decide to use on the trail. Our goal is to research this month and report back with some positive information. This project is a "work in progress" as I stated previously, and the Board will need to approve a budget for it in the future. This idea has been around for a long time, and with help from many, we can bring it to a reality.

Community Affairs

By: Dave Passman

After an absence of three months, it's great to be back to report to the community on major community affairs and happenings. It appears that this is the time of the year that things begin slowing down in West Delray.

The Department of Transportation is working with the Lake Worth Drainage District regarding the widening of Atlantic Avenue between the Turnpike and Jog Road. The District has approved the design concept utilizing the District's right of way for the widening. The Department of Transportation is proceeding with project development and environmental studies and will begin public hearings. Studies and preliminary work has been funded; however, construction costs are not funded. The DOT is predicting that construction funds may not be available until fiscal year 2029 unless funds become available earlier.

The Palm Beach County Sheriffs Office reports that although crime is down, traffic accidents have increased. The danger spots are the usual suspects; Jog and Atlantic, Linton and Military, and Lyons and Atlantic.

A new fire station, #49, is under construction at Flavor Pict and Lyons.

The Solid Waste Authority reminds everyone that certain materials such as paint and lithium batteries should be brought to the SWA center for proper disposal.

Various proposals for the redevelopment of the Delray Beach Golf Course as well as funding for these proposals are being considered and public meetings have been held to discuss.

In Dale Carnegie's book, "How to Win Friends and Influence People," Carnegie mentions that the greatest salesmen in the world are dogs! What do they sell? Unconditional love. That is what the members of the voluntary COP organization do as a group. We love people. We want to make all the residents of LOD feel loved. If any of them are experiencing a problem and present it to us, we try to find a solution. By the way my wife, Naomi, was asked by one of our neighbors, "What are you getting for Hal for his birthday?" She replied "I don't know, make me an offer."

You are invited to attend one of our COP meetings held in the Clubhouse Small Card room, on the third Tuesday of each month at 10:00 a.m. Bagels, cream cheese, tea or coffee will be served.

Please call me, Lt. Hal Scherzer at 267-481-0190 or my boss Captain Sheldon Lyman 561-714-5710 for more information.

Walking, jogging and bike riding are great activities and exercises to do right now. It is important for everyone to be aware of some simple guidelines for sharing LOD walkways.

FRIENDLY REMINDERS FOR BIKE RIDERS:

- Respect the rules of the road. If riding in the street, ride with traffic, not against it. Not only is bike riding against traffic illegal in most states, but it is also dangerous. Use hand signals to warn other road users that you will be making a turn or will be stopping.
- Be aware of drivers making turns in and out of parking lots.
- When riding on the sidewalk, give walkers and joggers space. Slow down and announce your presence by ringing a bike bell or horn, or just announce that you are coming up behind them when planning to pass.
- Wear a helmet and other safety equipment. Wear light colored or reflective clothing as it gets dark.
- Remain unplugged from phones, music or other noise distractions so you can hear background noise or potential hazards.
- Ride predictably, not haphazardly.
- When passing a walker/jogger look ahead and behind to ensure it is safe to pass.
- If riding at night, use lights: a red light for the back, and a white one for the front.
- Don't be an apathetic rider...SAY HELLO.

FRIENDLY REMINDERS FOR WALKERS AND JOGGERS:

- A lot of the bike riding guidelines hold true for walkers and joggers.
- Give everyone space.
- Be aware of your surroundings. Look ahead for bike riders, joggers and fast walkers. As soon as possible, move over to give them room to pass.
- When crossing a road and a driver about to turn is allowing you the right of way, thank him/her by making eye contact or giving a polite smile or hand wave. Try not to stop suddenly.
- Do not take up the entire walkway. When walking in a group, be courteous and cautious by being aware of other walkers or riders that may need to pass from either direction.
- Stick to one side of the walkway. When possible, avoid walking in the middle or changing sides on the walkway. This allows those who are moving faster than you to pass. If you are planning on passing another walker, announce yourself by saying out loud "On your left". Let other people pass you as well.
- Remain unplugged from phones, music or other distractions so you can hear background noise and potential hazards. It is okay to answer an occasional text or phone call or change a song, but do not go updating your Facebook status or uploading a picture on Instagram while walking. Not only is it dangerous, but it is inconsiderate when you are walking slower than the people behind you.
- Don't multitask.

WALKERS, JOGGERS AND BIKE RIDERS SHARE THE CIRCLE.

Rules and Regulations

By: Harry Brudka

Family or friends visiting the local area or staying with a resident that are 16 or older and wish to use the CLUBHOUSE or RECREATIONAL AREAS should be issued a guest pass at the office or from the Clubhouse guard.

- Any resident requesting a guest pass must accompany the guest to the office and show proof of residency (LOD picture ID).
- Passes are NOT issued in advance and are for use for a specific date or group of dates. Passes cannot exceed 14 days.
- Guest passes permit guests to use the clubhouse or attend any LOD sponsored event or class. Without a pass, guests will be asked to pay the required facilities fee.
- If the office is closed, a guest pass may be obtained from the clubhouse guard. Any resident requesting a guest pass must accompany the guest to the Clubhouse guard and show proof of residency (LOD picture ID).

RESIDENTS SHALL BE HELD RESPONSIBLE FOR THE ACTIONS OF THEIR GUESTS. ANY GUEST ABUSING THEIR PRIVILEGES, OR NOT ADHERING TO LOD RULES & REGULATIONS, WILL BE DENIED USE OF THE FACILITIES.

Pool/BBQ and Library

By: Jessica Krulfeifer

As we continue to wait for permits to allow our construction projects to begin, we will be scheduling the painting of the coping around the pool. The trough and tiles continue to be cleaned on a weekly basis. Just as a reminder, please make sure all children who require swim diapers are wearing them during all of their pool time. In addition, the BBQ area will be power washed.

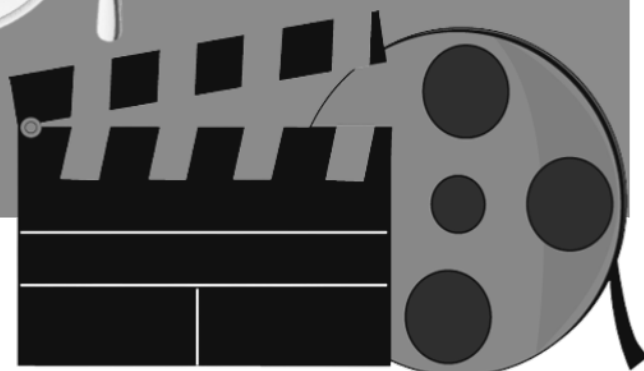

With the end of season, as the snowbirds prepare to head home, I just want to wish all a safe, happy and healthy summer.

The library continues to be a great source of so many of our great authors. The donations have been plentiful and much appreciated. Some changes in our library committee leaves an opportunity for new volunteers. If interested in donating a little bit of your time, please let me know.

MISSION STATEMENT

The LOD SERVICE AND SOCIAL CLUB sponsors several events which are geared to enlighten, educate, and entertain the membership. We come together as a social and service entity to promote camaraderie and friendship. This organization is open to all residents of the Lakes of Delray community. Our programs, events and activities are open to all members in good standing. The club tries to create a social/service atmosphere for club members and provide meeting programs and activities that cater to the various interests of the membership.

Social Clubs

Service & Social Club (cont'd)

The club is a non-profit, non-political, and non-sectarian organization.

The club's purpose shall be to...

- Promote service to the LOD community.
- Promote social activities to foster LOD community spirit.
- Raise donations/funds and offer services to local charitable organizations as the membership feels are important.

Fundraising Committee

LOD is looking to create a Fundraising Committee that will be responsible for producing our community Fundraising Program for 2024. Every year our community comes together and donates towards a foundation. Our upcoming program will donate to **St. Jude Children's Research Hospital**. We want to start putting together a committee as soon as possible, so if you are interested, please call your Entertainment Director, Amanda at 561-495-1598 ext. 2. Looking forward to working together and making our community a great place.

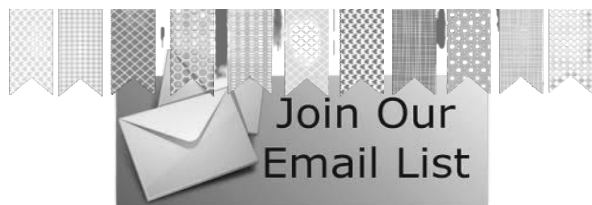

SPRING QUICK TIPS:

1-Minute Tip: Open a window and take a few deep breaths. Get some fresh air flowing in your home to increase ventilation and improve the quality of the air you breathe.

5-Minute Tip: Vacuum your rugs or dust hard surfaces and window blinds with a damp cloth. Just a few minutes every day is all it takes to keep dust and allergens at bay — and keep the air in your home a little healthier.

15-Minute Tip: Listen while you clean. Cleaning can be a great opportunity to multitask and catch up on your favorite podcast, audio book or practice your dance moves while you listen to some cheerful music. This way you can improve your mood — and the state of your home!

30-Minute Tip: Tackle the pantry. Not only will sorting through your pantry help you find expired foods that need to be tossed, but it can also help you take note of your family's eating habits. Check the nutrition labels on the processed foods you regularly eat — the facts might surprise you!

Be a part of our Lakes of Delray mailing list and stay up-to-date with the latest news and reminders of what's going on within the community. The process is seamless, simply send an email with the message **"add me"** to lodmaillist@gmail.com

BINGO VOLUNTEERS

LOD Bingo is looking for volunteers. Bingo runs every Tuesday evening. Volunteers will work a rotating schedule. You will not be required to work every Tuesday. Join the fun of being a part of the community and Tuesday night fun.

If you have any interest in joining Bingo, please contact Sue Heiferman at 561-702-7641.

THE MOTOWNERS

Bring Back That "Feel Good" Music

\$15

Who Are The Motowners?

This up-beat show of four singers will perform a song and dance tribute to the legends of Motown and the Big Band Era. The group will take you back in time to the glorious days of Duke Ellington, Cab Calloway, and Etta James. From that time line the group moves on to The Doo-Wop era of the Platters. The second half of the show is a tribute to Motown, performing classics by The Temptations, The Four Tops, Smokey Robinson, and The Supremes. The group closes out the show with classics from the disco era.

In January 2010, Derrick & The Motowner's enjoyed a four city tour in Spain. This included Barcelona, Bilbao, Zaragoza, and San Sebastian. In March of 2011, they opened for the legendary Spinners at the city of West Palm Beach's "One Year Anniversary of Centennial Square".

In October of 2012, the group was asked to perform for first lady Michele Obama. Let's enjoy the 50's and 60's as The Motowners take you on a walk downtown with the sounds of Motown.

Dog Decorum: Etiquette Tips for Dog Owners

Written by: Susan Heiferman

Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident in the catwalk, elevator or common walking path, it is your job to clean it up.

Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

Play by the “Common Area” Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counter-clockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon.

Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

Friendly Reminder - The Lakes of Delray is a NO Pet Community:

All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): **Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork.** **Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies.**

When walking your support animal please carry the pets ID with you. Thank you.

LOD Board Meeting Minutes

LAKES OF DELRAY, INC.

BOARD OF DIRECTOR'S MEETING

Wednesday, April 12th, 2023

MINUTES

The Lakes of Delray, Inc. held its Board of Director's Meeting at 15055 Lakes of Delray Boulevard, Delray Beach, Florida 33484, on Wednesday, March 8, 2023. Present were: President Bob Berger, 2nd Vice President Dave Passman, Secretary Jayne Kulyassa, Director Susan Heiferman, Director Jessica Krulfeifer, Director Harry Brudka, and Community Manager Ron Nolan

Not Present: 1st Vice President Ed Simon, Treasurer Lonnie Aronson, and Director Robin Warner.

The meeting was called to order at 10:00 am by Bob Berger, who then led the attendees in the Pledge of Allegiance. Secretary Jayne Kulyassa declared that a quorum exists.

Verification of the Associations not present: Ashland G, Pembridge B, Pembridge H, Watersedge D, and Witney B.

President Bob Berger moved to approve the minutes of the March 8, 2023 meeting; Jayne Kulyassa seconds.

CORRESPONDENCE: Jayne Kulyassa

No Report

PRESIDENT Bob Berger:

1. At this time, we are still waiting for Palm Beach County to approve the permits for our infrastructure jobs. Zarco Construction has told us the best-case scenario is that the work will begin in early May and the worst-case scenario will be the work beginning in early June. We will keep you updated as to when the work will begin via email blasts.
2. During new business, the Board will be voting on purchasing a used golf cart which is needed by our maintenance staff.
3. There have been many rumors about the expansion and opening up of Sims Road from Atlantic Avenue to Linton Blvd. Some of the rumors say that the bridge over the canal that is needed to get to Atlantic Avenue will be built shortly and Sims Road will then be opened up to all traffic. I heard a rumor that only emergency vehicles headed to Delray Medical Center would be permitted on Sims Road if it is opened up. I have checked with the County and the definitive word is that there are currently no plans to expand and open up Sims Road. Therefore, even if the County decided tomorrow that they want to open up Sims Road from Atlantic Avenue to Linton Blvd it will take years to formulate the plans and then build the bridge over the canal and it will be years before Sims Road could be opened up to through traffic. So, for now, Sims Road will remain as is and traffic will continue to be only to our rear gate for our residents. Dave will discuss that there is no

money for the Sims Road and other road expansion projects in his report.

4. We had to close our main pool for a day because a child had an accident and made doody in the pool. We took the caution of shocking the pool for the entire day which is why the pool remained closed for the balance of that day. Jessica will talk about proper pool attire for children in her report.
5. Our Friday afternoon and night movies no longer draw many residents. You may have noticed that on the last Friday of March, we had the 1963 movie "It's A Mad Mad Mad World" and on the last Friday of April we will be showing National Lampoon's "Animal House" which was released in 1978. We are trying to attract some more people to the free movies and we will continue to show popular movies from when we were all young once a month if they do indeed draw more people.

On Friday, May 19th we have scheduled dinner and a movie. We will have two food trucks. One truck is a hibachi truck with Asian food and the other is from an incredible bakery located in Boca Raton, called "Just Baked". They have the best brownies I have ever tasted. Some of you have asked me, "Are these those funny brownies"? And the answer is no, they are regular brownies, but they are made with Ghirardelli chocolate and they are outrageously good. You do not need to be a doctor of delectable or a brownieologist to enjoy them. But if you like brownies, please come and give them a try.

6. Last Friday we held our annual Volunteer Breakfast at the Delray Beach Country Club. I am pleased to announce that our Volunteer of the Year is Susan Heiferman and our Lifetime Achievement Award went to Rita Noce. Congratulations to both of them.
7. Last week we had 63 residents test for Covid and seven people tested positive. Yesterday only 40 residents got tested due to the weather. We have tested a total of 5,528 residents and staff since our weekly testing started in January 2022. Unfortunately, the weekly Covid testing will be ending on Tuesday, May 9th, because the federal government has declared the pandemic is over on May 10th and testing will no longer be free. However, Anthony Terzo is working on a program where he may be able to get Dr. Marouth involved in testing Medicare patients who have been exposed to Covid. Dr. Marouth is the doctor who had been administering the antibody testing. I will not get details on this for a while and hopefully, I should have more information in time for the May meeting.
8. Paul Saperstein, who is one of several real estate agents who takes out a full-page advertisement in the LOD Times, has made up and donated some LOD baseball caps. To celebrate the start of the baseball season I am going to ask Anthony to play a video of when a major TV star tried out for the Los Angeles Dodgers back in the 1960's and at the end of the video, I will have a pop quiz and those who answer the questions correctly first will win one of these new LOD baseball hats. If you see anyone you recognize in this video, please call out that person's name.

PRESIDENT: Bob Berger (cont'd):

Quiz: You can only win once in this quiz. I will ask a question and whoever calls out the correct answer first will win a LOD baseball hat. The first two questions will be easy and the questions will get a little harder after that. Who played the Dodgers manager in this video? (Leo Durocher). Who was the pitcher who gave up the home run to Mr. Ed in this video? (Sandy Koufax). When Mr. Ed slid into home plate the catcher ran up the backstop. What is the name of that catcher? (Johnny Roseboro). There were two other major league players in this video. Who are they? (Willie Davis and Moose Skowron). What is Moose Skowron's real first name? (Bill). In the 1960s, when this video was filmed, there was another TV star who tried out for the Los Angeles Dodgers on his TV show. Who was that TV star? (Herman Munster). If anyone knows the answer to any of the questions that were not answered, please email me the answer to the Boards email at Board.LOD@gmail.com and the first one to get it right will win a LOD hat.

I have a video from the Allman Brothers tribute band show which is fantastic. Please take note of the lead guitar player who is wearing the checkered jacket.

So, I was watching the concert and I said to my friend that I know this guitar player from somewhere but I could not remember from where. When they did the band introductions, they introduced this lead guitar player as "Tommy Strowd" and I then realized where I know this guy from. Tommy Strowd is the Executive Director of Lake Worth Drainage. He is the one who called the shots to cut down the hedges five years ago behind Pembroke A, E, and F and he was the one I had our attorney go after when Lake Worth Drainage tried to cut down our hedges, lamp posts, and railing that line our Atlantic Avenue entrance shortly after I became President. I went up to Mr. Strowd after the concert and reintroduced myself and he remembered me and he said, "I was thinking of wearing a mask here tonight," and I told him that would have been a good idea and then we shook hands. I told him it was a fantastic concert.

MEDITATION MEADOW / ROCK GARDEN AND EXERCISE TRAIL: Jaynee Kulyassa

Last month I spoke about safety and cost. This month we plan to look further into the detail of the county guidelines for crosswalks. We understand that we are a private community and we probably could do whatever we want. We felt that it would be best to follow some rules and regulations.

Next Ron and I will begin pricing pavers. They are needed to secure whatever material we use on the trail. Our goal is to research this month and report back to you next month.

COMMUNITY AFFAIRS: Dave Passman

We have all been talking about the widening of Atlantic Avenue. The plan is to start at 441 and go to Lyons Road, and

the second phase will be from Lyons Road to Jog Road. The Department of Transportation has approved this along with Lake Worth Water District. The construction portion of this project has not been funded, as they are talking about funding this project for 2029. So I do not see any construction happening on Atlantic Avenue for some time. I think that if they do not have money to fund this project anytime soon, I do not see the Sims Road Extension happening anytime soon.

The Palm Beach Sheriff's Office indicated that crime is down in Delray Beach, but automobile accidents are up. The most common areas are Jog and Atlantic, Linton and Military, and Lyons and Atlantic Avenue.

A new Fire Station will be built on FlavorPict and Lyons Road. Solid Waste Authority is asking all residents to dispose of lithium batteries and paint at their household waste collection center at the dump.

The Delray Beach Golf Course is now up for redevelopment. It has been determined that it would cost \$15 million to refurbish the golf course.

POOL/BBQ: Jessica Krulfeifer

As we wait for the permits to begin construction, we will begin to paint the coping on the edge of the pool. The troughs and tiles are cleaned weekly, and the BBQ area will be power washed soon. We need to make sure that the small children that are visiting us are wearing the proper swimming attire if they are not potty trained.

LIBRARY REPORT: Jessica Krulfeifer

The library continues to be a great source of so many of our great authors. We had a tremendous amount of donations of newer books. Donations are greatly appreciated. We have had some changes in our library committee with residents returning home, this leaves an opportunity for new volunteers. If you are interested in donating a little bit of your time, please let me know.

ENTERTAINMENT: Amanda Rance

We are excited to welcome the Turnstiles who will pay tribute to the songs of Billy Joel, this Sunday, April 16th, in our Starlight Theatre. This group puts on a wonderful show and certainly does a wonderful job of capturing the audience. Let's take a sneak peek at the tribute band themselves (plays video). Join us for 90 minutes of fun, songs, and dance! Tickets can be purchased in the LOD office from 9 am-4 pm, Monday-Friday and they can also be purchased on the night of the show.

Come out to the fitness room on Wednesday, April 19th, and join our professional trainer as he demonstrates the proper use of our fitness equipment and the importance of body forms when working out. Staying healthy is the key! Put your health first and sign up in the LOD office for a FREE session with our trainer. We are offering our first session from 11:30 am-12:30 pm and our second session from 1 pm-2 pm. See you all there!

I am elated to bring Ballroom dance lessons to the community starting April 24th! Did you know that Ballroom dance has such great benefits for the senior community? In fact, among the obvious health benefits, ballroom dance is considered

brain food for the mind and helps those that may be in the early stages of Dementia. This is a 5-week course with a professional instructor and will take place on Monday nights from 7-8 pm in the ballroom. Couples are preferred for sign-up due to the nature of the dance; however, if you are a solo person and you are looking for a partner, please contact me directly in the office and we can see about possibly pairing you up. Don't miss this great steal at the community!

"Don't slip, don't fall," learn to prevent it ALL with our free lecture given by Palm Beach Fire Rescue on Thursday, April 27th at 11 am in the Large Card Room. We strongly encourage sign-ups in the LOD office ahead of time, so that we can give our instructor a better idea of audience size.

A glance into May. Today, we have started selling tickets for the Donna Summer and Friends Tribute Show on Sunday, May 7th, here in the Starlight Theatre. Don't wait until the last minute; come and purchase a ticket to a fun disco night.

We are bringing back our "Dinner and a Movie" event on Friday, May 19th, from 4:30-7:30 pm outdoors at the pool. We will have two food trucks, one being from G-Hibachi, Asian Cuisine, and the second truck being a very delicious dessert truck called "Just Baked," which carries delicious cookies, brownies, milkshakes, and more. We will have DJ Mike Rapposelli present to get you in the poolside mood, along with three informative medical sponsors that will be handing out helpful information and giving out raffles! All of this happens before our 8 pm movie showing upstairs in our theatre. Don't miss out on a ton of fun.

We have a few more surprises that we will add to May and the months ahead, so as always, PLEASE read your LOD Times and participate in such a great activity.

MANAGER'S REPORT: Ron Nolan

- Multiple golf cart repairs were completed.
- Repaired two of our direct boxes that provide on-stage audio.
- Raised a trophy shelf in the billiards room for people that were bumping their heads on it.
- Performed repairs on Spa heater #4 due to a broken hose fitting.
- Repaired an arm on one of the recumbent bikes in the gym.
- Adjusted our timers for lighting throughout the property to accommodate the time change.
- Repairs to fallen racks in the We Care closet in the billiard room.
- Working with FPL on getting our street lights upgraded to LED fixtures. This will be an ongoing process for months to come as they are no longer supporting HPS bulbs.
- Investigated A/C performance issues, unit #5 may have no gas, and unit #4's compressor will not start, Kilbourne A/C came out and #4 needs an a/c capacitor, #5 condenser needs gas and the air handler is 20 years old and needs to be replaced.
- Repaired a chipped area on Satellite 1 pool deck to prevent a trip hazard.

MANAGER'S REPORT: Ron Nolan (cont'd)

- Sidewalk repaired on a sidewalk by racquetball courts to prevent a trip hazard.
- Added a door closer to the pool gate by the BBQ.
- Replaced several of the new lounge chair slings that have had the stitching fail. Applying a UV protectant on the lounge chairs in hopes of prolonging life.
- Swapped pads in the AEDs.
- Replaced two hose nozzles.
- A few street light poles have been reported for repair; turnaround times is about 40 days right now.
- Replaced screws in several tables on the pool deck that were coming apart.
- Repaired a hole in the Satellite 1 tennis court fence.
- Replaced Pembridge F signposts and finials.
- Replacing bad finials on all LOD and association signs.
- Replaced multiple faded road signs.
- In the process of cleaning association and LOD signs.
- Fixed an A/C leak in the ballroom and replaced the ceiling tiles.
- The ramp for our tool shed was repainted to prolong its longevity.
- Addressed another leak in the spa, making that the 5th spa leak within a year.
- Changed a door closer in the Ceramics Room.
- Replaced a diaphragm in a urinal that was leaking at Satellite #1 men's bathroom.

NEW BUSINESS:

Motion: 2nd Vice President Dave Passman

I make a motion to purchase a used golf cart from Sunshine Golf Cart for \$8,004.00.

Vote 6-0 passes, Jayne Kulyassa seconds

GOOD AND WELFARE:

Tables at the satellite pools do not seem to be cleaned regularly. A resident is asking that management raise the temperature at the main pool by two degrees. When the main pool closes for construction, the overflow will be at the

satellite pools, and residents will be parking at other building private parking lots.
