ATTENTION RESIDENTS

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard. DO NOT go over to the Guardhouse yourself.

GUEST AUTHORIZATION

Please remember that all guests must be called in, or on your guest list to gain entry to the community. Calling the guest authorization system requires that the phone number your are calling from is registered in our database in order to avoid the requirement to enter your phone number and security code when using that system. Anytime you change a phone number, be certain the call the office and update the number on record.

MESSAGE | BOARD OF DIRECTORS

A MESSAGE FROM BOARD PRESIDENT, DAVE PASSMAN | JANUARY BOARD OF DIRECTORS MEETINGS-OPEN TO ALL

LOD President's Message

By: Dave Passman

“ There are places I remember
All my life, though some have changed
Some forever, not for better
Some have gone and some remain.
All these places had their moments.
With lovers and friends, I still can recall
Some are dead and some are living
In my life, I've loved them all.”
--- Lennon, McCarthy

A couple of housekeeping items first.

At our last agenda meeting Ed Simon, First Vice President of the Board of Directors stepped down and retired after many great years of contributions to LOD. We thank Ed for his years of service and wish him well for the future.

At the following organization meeting, the board voted Robin Warner as First Vice President and John Callanan as Second Vice President. The Board is excited and looks forward to working more closely with Robin and John for the benefit of all residents of LOD.

An LOD resident, John Bostrom is trying to write a history of the Lakes of Delray. He is looking to interview residents to get some history and stories and is looking for some pictures of the “old days”. We may have some photos somewhere in the office, but all contributions are welcome.

John can be reached at: 718-772-4652 and would love to hear from anybody. He promised the interviews would be painless.

Happy high season everybody. Our friends are back from the winter lands and there is plenty of good stuff happening at LOD.

In December we had our Jingle and Mingle ball with 275 people attending. Our great Service and Social Club concluded their Toys for Tots drive. The Marine sergeant who joined us took one look at the mountain of toys and said he would be back the next morning with a step van to carry them all. Thank you to everyone who reached into their hearts to make a little brighter holiday season for a lot of needy children. (I apologize to all the adults I told could not have coloring books and crayons).

On December 12 we had three food trucks in the parking lot providing a variety of lunch and snack treats.

On December 17 we had our annual Holiday party celebrating Christmas, Chanukah and Kwanza. We had another great visit by the Boca High School chorus, who are a great bunch of kids who really enjoy singing and dancing with us. We also had our customary latkes and chocolates.

The Fleetwood Mac tribute band played in the ballroom, and they are always a smash hit.

We have three days of great activities and food for the kids coming down to visit for New Years. Games, shows, and food are all planned. All activities are listed in the December LOD Times, so grab your copy and figure out your schedules. There will be something for everybody.

On Jan 7,2026, we will have our Rock and Roll night with our favorite band, Becky and the Bad Dogs entertaining us while we have free hot dogs.

At the December Board meeting, the Board voted on the following:

- To purchase a portable pool lift to provide disabled residents easier entrance from the main pool
- To put forward a bylaw referendum vote to ban open carry projectile weapons from LOD common property
- To put forward a bylaw referendum to increase the community contribution fee for new unit purchases from a one-time fee of \$2000 to \$2500
- To put forward a bylaw referendum to terminate our ceramics room at the end of the season and reutilize this valuable space in a fashion to be determined during the Clubhouse renovation.

The last three items will be put forward to an all-association vote shortly as a 75% or more majority is required to reform our bylaws. You will be notified with sufficient time to make your vote count.

We talked about strict observance of the stop signs on our property. There are terrible accidents occurring all the time in West Delray. We want to keep our friends and loved ones within our gates as safe as we can, at all times.

The renovation committee had a big meeting with the designer on December 19. We hope to release some designs to the community shortly after, so you can see what the future will look like. The committee has spent a lot of time planning for a “timeless” design, and we hope that everyone will appreciate the new look we will all get to enjoy. And yes, we are still planning on having an elevator from the first floor to the second floor to give everyone more access to our Clubhouse.

We have other improvements planned through 2026 as well as some great entertainment coming up.

I have promised to keep the agenda meetings and board meetings as short as possible and will keep my lengthy pontifications to the LOD Times.

Nothing to pontificate this month so just one last thing.

The Board, management and staff of LOD hope you had a healthy and meaningful holiday season with your loved ones and we all truly look forward to working hard for the community to keep The Lakes of Delray a premiere choice of communities to live in for 2026 and beyond.

Upcoming LOD Board Meetings:

January Agenda Meeting: Thursday, January 8th at 10am in the Large Card Room. Open to ALL residents

January Board Meeting: Wednesday, January 14th at 10am in the Ballroom. Open to ALL residents

BISTRO/CAFÉ LOD EVENTS | COMCAST CONSTRUCTION UPDATES | LOD SPORTS| WE CARE PROGRAM AT LOD

Comcast

By: John Callanan

Below is the latest update from the Comcast Construction Division:

Construction Meeting – December 11th

Construction will meet onsite and provide physical samples of the ONUs, molding options, and related materials.

Design Plans for Two- and Three-Story Buildings

Construction will present the complete design layouts specific to both two- and three-story buildings, ensuring the association has full visibility and clarity on the installation approach.

Dedicated Project Manager

A project manager will be formally assigned to oversee the EPON project. Jessica will serve as the primary contact, ensuring consistent communication and streamlined coordination.

Dual Network Availability During Transition

Comcast will maintain both the legacy network and the fiber-to-the-unit (FTTU) EPON network until the transition is fully completed, ensuring uninterrupted service for residents.

Legacy Network Decommission Timeline

Comcast will notify Lakes of Delray in advance when the legacy network is scheduled for disconnection. This will allow the association to communicate with any residents who need to schedule their appointments to transition to the new FTTU service.

Certification and Unit Extensions- January 2026

Comcast will certify the fiber-to-the-unit infrastructure in January 2026. At this stage, the team will begin extending service into individual units. Each unit can be activated with the new installation without the entire building being activated

Resident Impact and Improved Services

- Symmetrical high-speed internet
- Significant reduction in trouble calls and service disruptions

Ongoing Communication with the Association

Comcast will provide updates weekly or biweekly so the board can keep residents informed and maintain transparency throughout the project.

If you are still having issues after going through the process of having Comcast, send a technician to fix the problem(s). Please let me know and we will escalate your complaint to a dedicated bulk services team.

The Bulk Services Troubleshooting dedicated phone number for us is 800 934 6489. If you would rather text them and not wait in the phone system, the contact is: (On It) and they will return your call.

Helpful SCAM Reminders to be Aware of -

- Remember to be aware of suspicious activity whether in-person, virtually, or over the phone.
- STOP and analyze your encounters.
- **Do not hesitate to call the police if you sense suspicious activity.**

LOD Bistro and Café LOD

By: Robin Warner

On January 7th, LOD presents the Season Kick-off with free Hot Dogs and soda, available by the BBQ area. Becky Weinberg and the Bad Dogs will be performing poolside.

Amanda has planned “Come Together,” on January 22nd It will be an evening of an evening of Jazz along with hanging out with friends and neighbors. The Bistro will be selling desserts like petit fours, brownies, assorted pastries, and will also have beverages at reasonable prices.

LOD Sports

By: Robin Warner

The Winter/Spring competitive leagues will be starting in January. We will be participating in four leagues. Shuffleboard is back. Cornhole has started back.

Sports related - Art Shamsky, a member of the 1969 World Series NY Mets will be here to talk about his career, take photos and sign autographs. I worked with Art and I saw him at a venue last year. The time flew by. Ask your outside friends to join us as well! Play ball! Complimentary ballpark snacks will be available. The cost \$10/person.

We Care

By: Meryl Gordon

Let me begin by wishing you all a very happy, healthy New Year, with my wish that no one should need our services. However, we are here for you if you do.

For those not aware, let me tell you about the wonderful WeCare service we have here at the Lakes of Delray. It is “neighbors helping neighbors by providing donated durable medical equipment.”

It is very easy to request equipment, simply see the guard upstairs in the Clubhouse. The same is true for returning the equipment. Equipment may be borrowed for ninety (90) days. The equipment availability varies from day to day so, should what you need not be available today, you can keep checking back.

Available for loan are:

- wheelchairs
- walkers
- transport chairs
- canes/crutches
- knee walkers
- rollators (those with a seat)

We’d like to thank Susan Homefield, Dave Rimer and Ellen Isaacs for their donations. If you have something to donate, please bring it to the clubhouse. Again, if you’ve borrowed something and have no further need for the item, please return it.

I have received many calls offering donations of shower seats and disposable protective underwear. Unfortunately, we cannot accept those items.

RULES ON POOL FURNITURE | CLUBHOUSE RENOVATION | PRESIDENTS FORUM | UPCOMING TOWNHALL MEETING

Rules and Regulations with Patio Furniture

By: Harry Brudka

The movement of the patio furniture has become a major problem that is damaging the furniture itself and wasting an extraordinary amount of the staff time having to move furniture back to its original spot and resetting the entire pool deck daily. Dragging lounge chairs all over the pool deck is noisy and wearing on the leg glides like the tires on your car.

One of the biggest problems is that many residents have limited consideration for their fellow neighbors and consistently clutter traffic areas so others, especially those needing wheelchairs, walkers or canes, can't walk through. This is not only inconsiderate but a fire hazard. Traffic areas must be kept clear at all times. Please make sure there is a wide enough aisle between chairs and tables to maneuver a wheelchair and/or walker.

No one should be dragging a lounge from one side of the pool to the other. If you need to rotate a lounge to face the sun or your friends, go ahead but dragging them all over the deck, and completely rearranging the deck as if it's your personal patio is unacceptable. Lounge chairs are bulky and hard to move so ask a buddy to help.

REMEMBER... The LOD Pool Cabana Boy no longer works here.

-Each table has 4 chairs assigned to it. For those neighbors playing games, chairs are for sitting upon, not handbags or totes... especially on a busy pool day.

-No furniture can be placed within 4 feet of the pool edge. Close the umbrella after each use.

-When 'borrowing' an empty chair from an occupied table, if possible, ask if you can use that chair. Just because nothing is on the chair at an occupied table does not mean it is not being used.

It's understandable that furniture movement happens when you sit together or play with a group of friends or neighbors, but please remember to move the item back to its original location...

JUST LIKE MOMMA TAUGHT YOU!!!

Clubhouse Renovation

By: Robin Warner

We have decided to renovate the office and ceramics room. Jennifer sent us a fit to fill for the area and she will now be working on those areas as well as the rest of the first floor.

We met with Jennifer and her team on December 19th and received the first renderings of the Clubhouse. More details to come on this.

Join the LOD Mailing List Today!

The process is simple. Send a message saying "add me" to lodmaillist@gmail.com. You will receive a reply with a link to the sign-up page. To remove yourself from the list, simply click the link that will be included in every communication that we send out.

President's Forum

By: Harry Brudka

Topic—Michael Trussell— President of SPF Roofing

SPF roofing (Spray Polyurethane Foam) is a seamless, liquid-applied roofing system that expands into rigid, closed cell foam, creating a durable, waterproof, and highly insulating layer over various substrates. It is often applied over existing roof to reduce waste and is known for excellent energy efficiency, leak prevention, and adaptability to irregular shapes.

(NEW DAY) Wednesday, January 28th | 10am | Held in the Small Card Room

Upper level Clubhouse— Picture Resident ID required for admittance.

Open to all board members/residents. Coffee will be served.

The Presidents Forum meets monthly to discuss ways for individual condo associations to benefit from working together to help cut costs, exchange ideas and solve common problems. Ideas are shared to help condo boards run a successful building.

For additional information, please contact Board of Director, **Harry Brudka 732-735-7831**

COMCAST

Comcast will join us on **January 14th at 11am** immediately after the Board Meeting to inform us about fiber to unit completion.

Bingo (Year–Round)

We meet on Tuesdays with our Early Bird beginning at 6pm. Doors open at 4:30pm. We are slowly welcoming the snowbirds and snowflakes back to Paradise. Those that haven't attended our bingo games since the Spring, are going to be surprised at the positive changes we have made, to make Tuesday evenings a fun and hopefully a profitable evening for our guests and for St Jude Children's Hospital.

During the summer we've introduced new games and changed the 2 part special games (brown and pink special games) from a 2 part game to a 3 part game. We've added the U-Pick game (you pick your numbers), pull tabs and the Flaming balls pull tab bingo game.

We did need to increase our admission packets from \$5.00 to \$6.00 and for those that feel 4 strips are too many you can now along with the admission package purchase a single (1/2 packet) for \$3.00.

Candy, chips, cakes and drinks are still available for purchase while Tea and Coffee are complimentary. Hebrew National hot dogs are for sale for \$2.50 each.

Upcoming Events :

We are excited to be holding the Fundraiser Bingo for a Cause - to benefit Epilepsy on **January 17, 2026.** Thank you to everyone who purchased tickets and/or made donations.

Date to be announced by email: lakesofdelraybingo@gmail.com, on LOD's unofficial community page, and also on the Lakes of Delray Bingo Facebook page.

We look forward to seeing everyone.

Dog Decorum: Tips for Dog Owners

Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident on the catwalk, elevator or common walking path, it is your job to clean it up.

Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. **No retractable leashes only 5 foot maximum.** Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

Play by the "Common Area" Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counterclockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon. **NO ESA dogs on the pool deck.**

Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

Just a Friendly Reminder - The Lakes of Delray is a NO Pet Community: All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork. Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies.

WELCOME TO THE LAKES OF DELRAY MEET AND GREET

Congratulations on choosing Lakes of Delray as your new home.

Whether you are an owner or a renter, you will find LOD to be a great place to live with numerous activities to keep you busy. To help everyone acclimate to your new homes and become aware of the myriad of activities the Lakes has to offer, the Board of Directors invites you to a Meet and Greet at which several board members, our property manager, and our wonderful community volunteers will give you an introduction and brief history of the Lakes and a detailed overview of our activities.

The Meet and Greet will be offered quarterly on the third Wednesday of the month at 10:30 AM in the Small Card room in our upstairs Clubhouse.

The next meeting is **Wednesday, February 18th, 2026**

The sessions usually last an hour or so. We will be serving a Continental breakfast at the meeting and will include a tour of our Clubhouse and pool area at the end of the meeting.

Please RSVP David Passman 917-543-6661 at least three days before the event.

We look forward to meeting you and hope you can join us.

Warmest Regards,

CORRESPONDENCE: Jessica Krulfeifer

PRESIDENT: Dave Passman

I just wanted to mention that our dear friend and colleague Anthony Napoli was in a small car accident yesterday. He will be alright. Keep him in your thoughts. Some of you may be aware that Ed Simon has retired from the Board of Directors at the agenda meeting. We would like to thank and commend Ed for his contributions and his years of dedicated service to the Board of Directors. Thank you for all the efforts that you have made on behalf of the community.

I would like to turn this over to our Director, Mike Palais, who is our health and safety officer, and would like to share some information with you today. Everyone in Florida knows that there are traffic lights that people do not stop at, and now we have a problem with stop signs in the community. There are stop signs and lines beyond the stop sign and the sidewalk, and the street. Sometimes we have people who do not want to stop. A pedestrian will be walking by, and soon, there will be an accident, and someone will get hit. Please just take a moment and observe the stop sign. We shouldn't have any problems.

We are seriously looking into installing fountains in our lakes. Ron will mention this in his report. We will start the renovation and then investigate the fountains. There are pros and cons to letting everyone know that we are looking into it.

An interesting thing came up the other day. John Bostrom is a resident and author. He is very interested in writing a small

book or pamphlet about the history of the Lakes of Delray. Going back to the beginning. He would like to incorporate thoughts from our older citizens. If you would like to contribute to John's efforts, you can contact him at his phone number, 718-772-4652. He would love to hear from anyone who has a story or maybe old photographs.

We have developed a relationship with the Heritage School on Linton Blvd., Amanda Rance and the Entertainment Committee were invited to the school to see the bands, jazz bands, String Orchestra, Concert band, and they were blown away. They are willing to invite us to presentations for free, and maybe, if insurance allows, have them here for special events and for them to earn community credit.

TREASURER REPORT: Lonnie Aronson

Year-to-date, our financial income is \$2,723,000, while expenses total \$2,564,000, resulting in a net gain of \$159,100 for the year.

CAPITAL CONTRIBUTIONS: Lonnie Aronson

The balance of \$161,000 of that unallocated total is \$148,900, and all \$12,100.00 is allocated to the slings and chairs on the pool deck.

BINGO: Lonnie Aronson

Check your LOD Times for closing dates for Bingo because of the holidays. They are also selling tickets for their fundraiser for epilepsy on 1/17/2026. You can purchase tickets on Tuesdays at Bingo and on Saturdays on the pool deck from 12:00 – 2:00 PM. Family week is coming.

ENTERTAINMENT: Lonnie Aronson

We have a show coming on Sunday, the 14th, with a Fleetwood Mac Tribute Band. The holiday party is coming on December 17th, and we will be serving latkes and candy, and cookies. The Boca Raton High School Choir will be joining us again. Family week is coming up, Café LOD will be open, check the dates, free hot dogs and soda for the kids.

GROUNDS: Jayne Weiss

Landscaping, we are discussing the Ficus hedge and the possibility of replacing it with a Clusia hedge. We are also looking into having the landscaper come more often to trim the Ficus hedge since it becomes overgrown quickly.

We have received feedback from residents on the flowers on the pool deck and the bees. We are trying to find the correct flowers and foliage for the pool area. We will be switching these plants out every few months to see what works best. We are looking at the flowers at the entrance and at the Clubhouse. We continue to have iguana issues.

POOL/BBQ: Jessica Krulfeifer

I will go over some reminders: no glass on the pool deck. →

POOL/BBQ: Jessica Krulfeifer (cont'd)

No saving of chairs and tables. No dragging of furniture across the brick pavers; if you move a lounge or chair, please return it to its original spot.

I had a suggestion for those who do laps in the pool: if they could do their laps not lengthwise but from side to side. Many residents swim in the shallow end, and it is disruptive for both parties, just something to consider.

LIBRARY REPORT: Jessica Krulfeifer

We are looking for donations for magazines; we will welcome any current magazines.

COMCAST: John Callanan

Comcast will be meeting with us tomorrow to discuss the construction plan for the fiber optics installation. They will be showing us physical samples of the equipment that will be installed in each unit. They will show us the plans for the two-story and three-story buildings, as well as how they will be connected. They have assigned a dedicated project manager to our community. This manager will provide consistent communication, streamlining the coordination with updates every two weeks. During the transition, we will have dual networks available. If you see Comcast in the community, you may notice that we have six or seven main boxes that bring the signal into the community. This is then this is split up to go to each of the buildings. They will be installing new main boxes for the dual signal. This way, there will not be any interruption. The legacy system that we have now will always be live while they are installing the new network.

Starting in January, they will be updating each unit. You will be given a phone number to schedule an appointment for installation in your unit. The process will take about one to one and a half hours. They will bring all the equipment that needs to be swapped out. They will make sure that you are alive and your system is working well with fiber optics. They expect a rapid turnaround. Once they have certified your fiber optics, they will disconnect you from the legacy system. Each unit can be hooked up one at a time; the entire building does not have to be connected to go live. For those of us who are snowbirds, you will have the convenience of hooking up to the fiber optic when we are here at the Lakes of Delray.

CLUBHOUSE ACCESS PROJECT: John Callanan

We have decided to renovate the office and the ceramics room. Jennifer, who is the head of our account at Brown, sent us what they call a fit to fill, showing the entire first floor. We will receive the renderings next Friday, and we hope the office will be in that rendering.

LOD BISTRO: Robin Warner

SPORTS: Robin Warner

The competitive teams are starting in January. Shuffleboard is back, and Corn Hole with also start in January. On January 28th, 2026, Art Shamsky from the 1969 World Series Mets will be here for an evening with video highlights.

COP: (Guest Poem) Sylvia Goldin

At this particular time of my life, this is where I need to be
They do the shopping, cooking, and cleaning for me
In my Florida unit till I was 94, I did it all, but I can't anymore
This is much easier for my family to spend a little time with me
No guarantee, I will get into heaven, but here I am at 97!
Joanne, Tamara, and Lucy are nice, especially when they ask for advice.

Shelly, Bennett, and Chuck are grand, and they visit when they can

My Mother and my children have blessed me with their caring
During these final years that we are sharing
So folks think I'm very funny, cause my disposition is sunny
How I love to make you laugh. Do you want my autograph?

Thank you, LOD, for your continued support at our Clubhouse events recently. Your presence has made a difference in the overall success of our activities!

December Events:

- This Friday, we will have Food Truck Friday outdoors on the pool deck with (3) food trucks and a DJ. Food is available for purchase. We will have a Taco truck, Hangry's Chicken truck, and an Italian Ice/Ice cream truck. This event will run from 6-9 pm. It's important that we support our trucks so that we can continue to bring back more in the future. Visiting guests are welcome.
- Tickets are still available for our tribute show to Fleetwood Mac and Stevie Nicks, which will be brought to you by a 6-piece band! See you at the show on Sunday, Dec 14th at 8 pm.
- Our Family Holiday schedule has been published, and we are excited to greet our visiting family members with warm spirits. Our events are complimentary except for purchasing food, where noted. Day 1 of our holiday schedule will be on Friday, December 26th, with several activities powered by resident volunteers. For activities such as Karaoke and Pizza, and Tennis lessons, we would appreciate a heads-up of your attendance and your party count so we can plan accordingly.
- We are also revving up for our Carnival Day on Monday, December 29th, from 10 am-3 pm. Please follow the schedule provided on the flyer. We will start the 1st hour with a Circus/Magic show with live characters, face painting, rock painting, and more. We are bringing in 30 ft worth of carnival games, Wack-a-Mole, and Skee Ball. We will have Italian Ice, Water Dogs, and a Churro Dessert truck available for purchase. You won't want to miss out!

Please make note of early events in January:

- FREE hot dogs with a live band performance on the pool deck on Wednesday, January 7th, from 5-8 pm to kick off our 2026 season.
- Our annual Club Fair is on Friday, January 9th, from 11 am-2 pm, outdoors on the pool deck, accompanied by the TMI Food truck, and live music. This event is geared towards learning about our social clubs and how you can join!
- Jayne Curry is back on Sunday, January 11th, and tickets officially go on sale in the office starting December 16th. You can pre-reserve your seat by this Friday, by simply filling out your lottery form and submitting your full payment.

Don't forget to stop by the table near the entrance of the ballroom to pick up an event flyer packet for your building bulletin board.

For more information on our upcoming events, please see our LOD times.

PROPERTY MANAGER'S REPORT: Ron Nolan

- The special assessment invoices have been sent to all the associations and management companies with a due date of March 25, 2025. That is the due date each association is required to pay LOD. You should be receiving a bill from your associations very shortly, designating the due dates for your final payment, which is \$1,500 per door.
- We are looking into a new electronic sign, like the one we have in the lobby. We will place it where the bulletin boards were, which did not get much attention. Hopefully, this will be bright enough and get a lot more attention.
- Harry Brudka and I will finish working on the rules and regulations. We hope to finish up by the end of the month. Then we will present that to the board with all the updates.
- We have contacted a consultant to give us recommendations for making crosswalks, since we have none in this community. Considering the concern, we have a lot of pedestrians. We are looking into crosswalks and two additional stop signs.
- As Dave Passman mentioned, we are looking into fountains for the lakes. We had a vendor out here working on numbers and ideas as well.
- The Sims Road gate trap project, Dave and I went back there to review the issues that we have. We must be careful in implementing this because there are complications. We do not want this to be problematic for our residents, as it is a solution. I have two bids for doing that project already.
- I will be looking into another version of the office database and security system. This is a cloud-based system. This will allow us to add other features when we need to. I will be meeting with our vendor tomorrow.
- We have ordered new signs, and new signs are being considered for the Sims Road entrance.
- We are waiting for a light pole to be repaired, here by the stairs to the Clubhouse.
- Pickleball court repairs are underway, and a pressure wash will be scheduled.
- I'm still waiting for a bid for the sidewalk repair by the BBQ area, which is a 25-foot section.
- I just received a bid for paving to finish the entrance road to the community.
- The Community portal is required for documents and financials and is underway. I have compiled a list to begin the database. The first list will be 850 residents who will receive an invitation to create user username and passwords. Those who are not on the list will also be sent an invitation to sign up through our email blast. This invitation is only being sent to owners. Many occupants and renters will not receive the invitation.
- For those who are wondering about the cones on the LOD Blvd road, the whole situation is worse, and with investigation and the county, this is a sewer line that is collapsing. It's not just the roadway, but a light pole that is right there has sunk into the ground two and one-half feet. The surprising thing is that the pole is functioning. Palm Beach County will be repairing the sewer line.

New Business:

John Callanan, I make a motion to proceed with the proposed purchase of a mobile pool lift for handicapped use of the main pool. The modeling cost will be with a future vote, not to

exceed \$15,000 in cost, and to include the requirement for a hold harmless waiver to be signed by each user.

The motion was seconded by Harry Brudka, and the vote passed 8-0

Jayne Weiss, I make a motion to remove the Ceramic room as an amenity. The change will be approved by our attorney and voted on by the members of the association at a later date.

The motion was seconded by Robin Warner, and the vote passed 8-0

Mike Palais, I make a motion to add an amendment to the bylaws of Lakes of Delray to prohibit the open carry of guns on the common property. The exact language is to be approved by our attorney and voted on by members of the association at a later date.

Lonna Aronson seconds, the vote passed 8-0

Robin Warner, I make a motion to increase the capital contributions fee to \$2,500. The amendment will be approved by our attorney and voted on by members of the association at a later date.

Dave Passman seconds, and the vote passes 8-0.

GOOD AND WELFARE:

Janet Wat G, these flyers that are put out by the entertainment committee are very colorful and informative. Please put them up at your buildings. Thank you

Sue Ash, I, Comcast questions on the two-story buildings. I have a concern about where the installation will be in the laundry room.

Sue Ash, I understand we have a unit owner's rep for the renovation. Will the community be introduced to the unit owner rep? We have been getting very general information. We are not really being told where our money is going.

Robin Warner stated that CELE4 is our unit rep. They have been doing an extraordinary job, checking the schedule, checking in with vendors. They are our advocates. Dave Passman stated that there will be a Town Hall in early January, and the books are open to all who like to review. Please make an appointment with Ron Nolan

The meeting was adjourned at 10:58 AM

Kate Cunnion respectfully submits.
