ATTENTION RESIDENTS

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard. DO NOT go over to the Guardhouse yourself.

GUEST AUTHORIZATION

Please remember that all guests must be called in, or on your guest list to gain entry to the community. Calling the guest authorization system requires that the phone number your are calling from is registered in our database in order to avoid the requirement to enter your phone number and security code when using that system. Anytime you change a phone number, be certain the call the office and update the number on record.

MESSAGE | BOARD OF DIRECTORS

A MESSAGE FROM BOARD PRESIDENT, DAVE PASSMAN | RULES AND REGULATIONS WITH PATIO FURNITURE

LOD President's Message

By: Dave Passman

“ There’s something happening here
What it is ain’t exactly clear
There’s a man with a gun over there
A-telling me I got to be aware
I think its time we stop.
Children, what’s that sound?
Everybody look what’s going down.”
-S.Stills

So here we are in February already- the year is just zipping by. Before I recap the memorable events in January, I want to issue a special shout out to Roy Fiinson of Ashland I for working with Maria Sachs and getting new striping on Sims Road and arranging more police patrols keeping cars and trucks from parking there overnight. Thanks for the great initiative, Roy.

Anyway, like I was saying, January was a month to remember. In no particular order we had the great Becky and the Bad Dogs rocking us all night, the Chicago/Doobie Brothers blasting away, the hysterical Jayne Curry, the Jazzy Come Together event, the healthy dermatology truck, and the great Art Shamsky, star of the 1969 New York Mets.

However, the jewel in the crown this month was the Bingo charity event for the fight against epilepsy. Sue and Sue and the rest of the volunteers truly outdid themselves once again. The Starlight Ballroom was almost sold out and we raised over \$13,000. On top of that, Pam Garcia from the Delray Beach Pickle Ball Club donated \$3,000 to the cause. To everyone who worked and to everyone who attended, well done and thank you very much.

Starting February 22, LOD has five charity events scheduled for our annual fund raising for St. Jude Hospital. All the events are open to non-residents, so please tell all your friends and associates to join us and reach into their hearts for the children. A schedule and description of the events is in the January issue of the LOD Times.

Since we are talking about February, I’m going to sneak in an extra plug for a friend of mine. Cabaret singer Victor Valdez, house singer of the Tropical Grille in Wilton Manors, will be back on March 5, to entertain us with his great cabaret show. Anyone who saw him last time he was here said he was truly amazing, so don’t miss Victor.

All our sports clubs are up and running and seem to be doing well.

At our last agenda and board meetings, the Renovation Committee previewed the clubhouse renovation. Unfortunately, I was not at either reveal but I understand that the community had nothing but positive things to say about the design. In the next several months, construction will start, which will take a lot of time and effort on behalf of the board, but we pledge the community business will continue as close to normal as possible.

The Comcast upgrade is not that big a deal and should not inconvenience any of us too badly. However, some of our older

and distressed residents will need assistance arranging the Comcast appointment to remove the old equipment and install the new equipment at the appropriate time. I am truly hoping that each association will assess some of their neighbors’ needs and make arrangements to assist them with the swap out when the time comes.

Some of you are aware I was out of action for over a month due to health reasons, but everything is fine now. I would like to thank everyone who sent words of encouragement. It goes without saying the board continued to provide the community with great service in my absence and we all thank them for that, we would not expect anything to the contrary.

The Board and myself wish everyone a great February and thank god we are not shoveling snow!

Rules and Regulations with Patio Furniture

By: Harry Brudka

The movement of the patio furniture has become a major problem that is damaging the furniture itself and wasting an extraordinary amount of the staff time, having to move furniture back to its original spot and resetting the entire pool deck daily. Dragging lounge chairs all over the pool deck is noisy and wearing on the leg glides like the tires on your car.

One of the biggest problems is that many residents have limited consideration for their fellow neighbors and consistently clutter traffic areas so others, especially those needing wheelchairs, walkers or canes, can’t walk through. This is not only inconsiderate but a fire hazard. Traffic areas must be kept clear at all times. Please make sure there is a wide enough aisle between chairs and tables to maneuver a wheelchair and/or walker.

No one should be dragging a lounge from one side of the pool to the other. If you need to rotate a lounge to face the sun or your friends, go ahead but dragging them all over the deck, and completely rearranging the deck as if it’s your personal patio is unacceptable. Lounge chairs are bulky and hard to move so ask a buddy to help.

REMEMBER...The LOD Pool Cabana Boy no longer works here.

- Each table has 4 chairs assigned to it. For those neighbors playing games, chairs are for sitting upon, not handbags or totes... especially on a busy pool day.
- No furniture can be placed within 4 feet of the pool edge. Close the umbrella after each use.
- When ‘borrowing’ an empty chair from an occupied table, if possible, ask if you can use that chair. Just because nothing is on the chair at an occupied table does not mean it is not being used.
- It’s understandable that furniture movement happens when you sit together or play with a group of friends or neighbors, but please remember to move the item back to its original location...

JUST LIKE MOMMA TAUGHT YOU!!!

COMCAST | CLUBHOUSE RENOVATION | POOL/BBQ & LIBRARY | PRESIDENTS FORUM | BOCA SINGERS- THANK YOU

Comcast

By: John Callanan

Construction began the week of 1/12, and we are scheduled for a Comcast Town Hall to receive more information about the installation after the board meeting on 1/14.

If you are still having issues after going through the process of having Comcast send a technician to fix the problem(s), please let me know and we will escalate your complaint to a dedicated bulk services team.

The Bulk Services Troubleshooting dedicated phone number for us is 800 934 6489. If you would rather text them and not wait in the phone system, the contact is: (On It) and they will return your call.

Clubhouse Renovation

By: John Callanan

The final design was approved by the board at the end of December and presented to the community at the 1/14 board meeting. After approval of the final design, Cad Drawings, Architect Drawings, Permit Submissions, Elevator, Contractor and Design Budgets are the next steps. The project is still on target for an April kickoff.

A BIG THANK YOU !!

At the LOD board's annual holiday party, the community was entertained by a group of talented students from the Boca High School ADVANCED CHORUS. Their Christmas, Hanukkah and Kwanzaa songs were the highlight of the evening.

The chorus has been invited to perform at Carnegie Hall in March 2026. Not only will they be working alongside other invited choirs, but in their downtime they will immerse themselves in the culture of New York City. For some of the members this would be the first time in New York.

The chorus is fundraising to help support the student's, families and program, navigate this trip. That evening, learning of this fundraising effort, LOD started donating to this worthwhile cause. The following is from Kaitlyn Wallace, chorus director...

“ LOD Board Members,

I want to take the time to thank you for the opportunity that it was to sing at Lakes of Delray. It was a privilege and an honor to be part of your holiday celebration.

I just got home and counted the total donations, and I am in shock !! Over \$1500 was donated by the Lakes of Delray that evening.

I wish I had the right words to thank you for your extreme generosity and kindness, truly we are blessed for you all and will definitely put this money towards a trip of a lifetime for the choir kids.

Thank you again and if you ever need us, we are a call and a road away. ☺

WELCOME TO THE LAKES OF DELRAY MEET AND GREET

Congratulations on choosing Lakes of Delray as your new home.

Whether you are an owner or a renter, you will find LOD to be a great place to live with numerous activities to keep you busy. To help everyone acclimate to your new homes and become aware of the myriad of activities the Lakes has to offer, the Board of Directors invites you to a Meet and Greet at which several board members, our property manager, and our wonderful community volunteers will give you an introduction and brief history of the Lakes and a detailed overview of our activities.

The Meet and Greet will be offered quarterly on the third Wednesday of the month at 10:30 AM in the Small Card room in our upstairs Clubhouse.

The next meeting is **Wednesday, February 18th, 2026**

The sessions usually last an hour or so. We will be serving a Continental breakfast at the meeting and will include a tour of our Clubhouse and pool area at the end of the meeting.

Please RSVP David Passman 917-543-6661 at least three days before the event.

We look forward to meeting you and hope you can join us.

Warmest Regards,

Dave Passman

Art Therapy in the Fresh Air

Our purpose is to create images that help us learn about ourselves. We are not looking to find out through making art if we are bipolar, schizophrenic or dysfunctional, nope!

We will learn about who we are by making art and voluntarily discussing the art making and enjoying the process, results, camaraderie, and the creation. It is fun and enjoyable to discover ourselves. Bring art materials of any kind from simple colored pencils, chalk, acrylic paint, an ordinary pencil, watercolors, and/or paper or canvases.

Directives will be given and voluntarily presenting thoughts on your own art.

Cherie Natenberg has a BA in art education, taught art for 10 years to behavior disorder teens in school. Cherie has over 35 years doing art therapy with older adults and now is one. Open to men and women. **Every Friday, from 2-3:30 pm, poolside near the Ceramics Room.** Classes will run from Jan– April. No fee. Dog Decorum: Tips for Dog Owners

Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident on the catwalk, elevator or common walking path, it is your job to clean it up.

Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. **No retractable leases only 5 foot maximum.** Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

Play by the "Common Area" Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counterclockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon. **NO ESA dogs on the pool deck.**

Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

Just a Friendly Reminder - The Lakes of Delray is a NO Pet Community: All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork. Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies.

TREASURER REPORT: Lonnie Aronson

Year-to-date, our financial income is \$2,955,000, while expenses total \$2,803,000, resulting in a net gain of \$182,000 for the year. We will have an audit of our books for the year 2025 by our CPA Firm, that result will be sometime in March 2026.

CAPITAL CONTRIBUTIONS: Lonnie Aronson

The balance total of \$171,780, of which \$18,950 is allocated to the slings and chairs on the pool deck. Unallocated is \$152,900.

BINGO: Lonnie Aronson

The Bingo coordinators want to thank everyone who will be joining us on Saturday for the LOD cure for epilepsy fundraiser. The fundraiser will start at 5 PM. There will be 250 people attending, and the event will be sold out and catered by Joseph's Gourmet Market.

ENTERTAINMENT: Lonnie Aronson

We would like to address the comments on the recent New

Year's Eve party. We are aware of a few frustrated attendees who felt things didn't go quite right. We are also aware that many attendees had nothing but positive things to say about their experience that evening. As always, a large amount of planning and physical effort went into the production of this event. Financially, it was an absolute necessity to adopt a new format for the party. The board was confident that the choice of a popular band, combined with a modest buffet from a well-liked restaurant, and a beautifully decorated room made by staff and volunteers, was a winning combination. The positive responses confirm that, but that doesn't dismiss the real problems that many frustratingly endured. Just know that we are reviewing all the comments received, both positive and negative, to work out a solution for 2026.

GROUNDS: Jayne Weiss

Landscaping for the last few months has not been up to par, and Ron is aware of that and has been interviewing other companies to maintain the common area. Flowers will be planted, and the holiday lights will be coming down tomorrow. We received many compliments on the holiday lights, and if you have any ideas for lights next year, let us know.

GOOD AND WELFARE:

Ash A Jayne Weiss, I received a phone call yesterday from Shelly Silver, and sadly, one of our long-time residents, Sylvia Goldin, passed away yesterday. Sylvia really made a mark at our building and in the community. I decided to send a poem back to you.

Dedicated Hearts to Sylvia Goldin

Dedicated Hearts like yours are not so easy to find.

It takes a special person to be so generous and kind

To care so much for your fellow man is a quality all too rare

Yet you gave your time and talents to all in need to share

So, thank you for being an LOD volunteer. We were privileged to work with you

We want you to know how appreciated you are, not just today, but all the past years through

Thank you, Sylvia, rest in peace.

Susan Ash, Will the new ballroom have theater seating? Lonnie Aronson stated that it has not been determined.

Will there be a service kitchen in the new renovation? Robin Warner stated that this is still being determined. Where is the resident portal that should have been up and running by the first of the year? Ron Nolan stated that the portal will be up any day now.

Steve Wat D, Thank you for that great show with Jayne Curry. I want to mention the Service & Social Club; we are planning the 2027 cruise, if interested please contact the Service and Social Club. The cruise is open to all residents; you do not have to be a member. We also have a trip to St. Augustine that is open to all; we have four seats open.

Wendy, Wat G, will there be any color in the renovation? Robin Wagner stated that yes, there will be color in the plan.

Miriam, Wat G, I would like to suggest a message board in the community. This would help me find card games, rides, and vendors.

Carl, Trow A, suggests changing the ceramic room to a room for ping pong.

Paul, Wat D, do we have a date when the construction will begin for the Clubhouse? Will the Clubhouse be done all at one time? John Callanan stated that the start date is April 1st, and we are on schedule. The Clubhouse will be done half and half.

Lori, Wat D, I'm an entertainment volunteer, and there are a couple of buildings that have not picked up their entertainment packets for your building corkboards. If you would like to pick that up, please see me after the meeting.
