John Sergi, Ashland F

I found Charlotte online. This was going to be very challenging for me as I would be selling my mother's unit from a distant. Charlotte answered her phone right way when I called for the first time. We had a great conversation and a few weeks later I flew in and we met face to face. Charlotte was wonderful! She texted me often with updates, we did everything online and I did not have to attend the closing. Charlotte took my stress away, sold the unit quickly. Thank you, Charlotte, you are the best!!

ATTENTION RESIDENTS

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard. DO NOT go over to the Guardhouse yourself.

GUEST AUTHORIZATION

Please remember that all guests must be called in, or on your guest list to gain entry to the community. Calling the guest authorization system requires that the phone number your are calling from is registered in our database in order to avoid the requirement to enter your phone number and security code when using that system. Anytime you change a phone number, be certain the call the office and update the number on record.

A MESSAGE FROM BOARD PRESIDENT, DAVE PASSMAN | LOD PRESIDENTS FORUM | NOVEMBER BOARD MEETINGS

LOD President's Message

By: Dave Passman

HAPPY
HOLIDAYS

“ Spanish lady comes to me, she lays on
me this rose,
It rainbow spirals round and round it
trembles and explodes,
It left a smoking crater of my mind I like to
blow away,
But the heat came ‘round and busted me for
smiling on a cloudy day,
Coming, coming, coming around.

- R. Weir ”

It seems like it was just yesterday that I
was wishing everyone a great summer.

Now I'm beginning to see our friends coming home and I'm
welcoming them back. Time sure has ways of doing tricks.

Anyway, the big news of this month is the upcoming annual
Board of Directors election at the November Board meeting.

Up for re-election are: Lonnie Aronson, Harry Brudka, David
Passman and Jayne Weiss. Roy Filinson is running for the first
time.

Noto Bene (That's Italian for Take Note):

Any voting president or voting delegate for each of the
associations must be registered as a voter for your association or
you will not be allowed to vote. We have some new presidents
that may not be aware that you must go into the office before
the election and fill out a form with your name or names on
it. Only one vote per association is allowed. If you are not on
Kate's list your building will not be allowed to vote.

At the October board meeting all the candidates had five
minutes to talk about why they are running and all the
presentations were well received by the audience.

We voted on a contractor for the upcoming renovation at the last
meeting, so our team is complete. Robin will discuss this a little
more in her article, but we are several weeks away from getting
our initial design from our designer. The excitement and
anticipation is building. We have also decided upon a contractor
to construct the elevator, and we will be meeting shortly to nail
down a design and technical issues.

Notwithstanding the difficult times in the Florida condominium
market, we have numerous units under contract and sales are
progressing.

The snowbirds will see the new pool umbrellas and we are in
the process of continuing to re-slinging the chairs.

For those two or three people out there that play pickle ball, you
will be happy to know the new shade structure is in place, and
looks terrific. Going to be a great season.

Our Billiard's club was able to locate a used pool table from
another community. The table matches the tables we have and a
great deal was negotiated. Our Billiards club continues to take
off and be very popular.

Can't say enough about our Bingo Tuesday nights. We had
great attendance all summer and some new games were

added. We have also started selling hot dogs at Bingo for those
who get hungry during the games.

Amanda has arranged some great shows and parties for
November and we are sure there will be something of interest
for everyone as always.

Ed Simon has taken over as our representative to the Alliance
and will be reporting to the community in due course as to the
continued efforts of the Alliance on behalf of the Delray
communities.

Please try to keep all postings on the unofficial Lakes of Delray
Face Book page positive. If anyone has questions or comments,
come to the office, see a Board member or send a note to the
Board's email post box.

We are a progressive, positive community and want all aspects
of our activities to reflect that.

I don't want to overstay my welcome so I think that's it for this
month. Hope to see many of you at the next Agenda meeting
and Board meeting.

Before I go, my family and I, the Board of Directors and their
families, the management and staff of LOD all wish you and
your families a very Happy Thanksgiving and beginning to the
holiday season.

Rules and Regulations

By: Ed Simon

When you join an active community like ours, there are many questions that new people have and don't know where to turn: Where do I get a pass? What documents do I need? Where's the Library? Which way is Billiards?

When there is always a lot to do - sports, events, shows, and a lot of activities - there are also a lot of questions. With all these things happening simultaneously there are a lot of rules that come with them. They are meant mainly for your safety.

Everyone who joins the LOD Community receives a copy of the Rules & Regulations. It is a guide not only of what and what not to do, but it also includes helpful information for the Common Areas. Hours the pool is open, how to get ID cards, how to get a Barbeque pass, where to park or not park, Bus service, the operation of Clubs, rules for events and countless other bits of information. It is important that everyone reads and understands them. As our lifestyles and demographics change, our rules & regulations must change to keep up with the times.

LOD Bistro and Café LOD

By: Robin Warner

There are two upcoming scheduled LOD Bistro events. The first on **November 7th, Camp LOD night**. The Bistro will be serving fun, camp food like: Hot Dogs, Knishes, Pretzels, Bug Juice, Desserts, etc. all reasonably priced. We will have two fire pits and the Smores are free!

On November 21st, the LOD Bistro will be selling a fall-time inspired menu that will include: Corn on the Cob, Corn Cakes, Sides, Desserts, and more. All will be reasonably priced.

Both events will be a fun way to kick off the season.

Clubhouse Renovation

By: Robin Warner

The Board has voted and we have hired our Architect and General Contractor.

Our Creative and Renovation team is now complete. The architect will be filing for permits and working with the creative team. We will see the first renderings at the end of the month and that's when it all really begins.

LOD Sports

By: Robin Warner

The pickle ball awning is up and looks great. The rains caused some damage to a few courts and hopefully that will be remedied soon.

The Fall Competitive Season has begun. We have 6 teams playing in 4 leagues. The calendar is posted on the bulletin board - come out and root for our teams.

The Shuffleboard courts have been resurfaced and the Club will be starting up again on November 6th.

Play is every Thursday @1. Dues are \$10/person

Comcast

By: John Callanan

The Comcast Team met with us on 9/2, and we are awaiting the construction schedule for completion of the fiber optic cable to each unit.

Bulk Services Troubleshooting dedicated phone number for us 800 934 6489. If you would rather text them and not wait in the phone system, the contact is: (On It) and they will return your call.

C.O.P.

By: Captain Sheldon Lyman

Please check off the following items that apply to you:

- . I like to drive
- . I like to help people
- . I like military things (i.e. military code, uniforms, etc.)
- . I like to be social--interact with others
- . I don't mind volunteering for the greater good

If you answered yes to any of the above, joining the cops Lakes of Delray chapter is for you.

Any information on joining, please call LOD resident, Captain Sheldon Lyman at: 561-714-5710 for more details.

We Care

By: Meryl Gordon

Well, here we are in November already. Welcome back to our returning snowbirds. For those who are new to our community, let me tell you about the wonderful WeCare service we have here at the Lakes of Delray. It is "neighbors helping neighbors by providing donated durable medical equipment."

It is very easy to request equipment, simply see the guard upstairs in the Clubhouse. The same is true for returning the equipment. Equipment may be borrowed for ninety (90) days.

The equipment availability varies from day to day so should what you need not be available today, you can keep checking back.

Available for loan is:

- wheelchairs
- walkers
- transport chairs
- canes/crutches
- knee walkers
- rollators (those with seats)

Right now we need you more than ever to be a good neighbor. We are low on all items with the exception of hospital issued walkers.

If you have something to donate, please bring it to the clubhouse. If you've borrowed and have no further need for the item, please return it. That's one way to be a good neighbor.

Thank you and have a safe, healthy season.

WALKERS, JOGGERS & BIKE RIDERS ETIQUETTE

With daylight savings time here, more walkers, joggers and bike riders are taking advantage of the extended daylight hours. Walking, jogging and bike riding are great activities and exercises to do right now. It is important for everyone to be aware of some simple guidelines for sharing LOD walkways.

FRIENDLY REMINDERS FOR BIKE RIDERS

- Respect the rules of the road. If riding in the street, ride with traffic, not against it. Not only is bike riding against traffic illegal in most states, but it is also dangerous. Use hand signals to warn other road users that you will be making a turn or will be stopping.
- Be aware of drivers making turns, in and out of parking lots.
- Give walkers and joggers space. Announce your presence by ringing a bike bell or horn, or just announce that you are coming up behind them, planning to turn or stopping.
- Wear a helmet and other safety equipment. Wear light colored or reflective clothing as it gets dark.
- Remain unplugged from phones, music or other noise distractions so you can hear background noise or potential hazards.
- Ride predictably, not haphazardly.
- When passing a walker/jogger look ahead and behind to ensure it is safe to pass.
- If riding at night, use lights, a red light for the back, and a white one for the front.
- Don't be an apathetic rider...SAY HELLO.

FRIENDLY REMINDERS FOR WALKERS AND JOGGERS

- A lot of the bike riding guidelines hold true for walkers and joggers.
- Give everyone space.
- Be aware of your surroundings. Look ahead for bike riders, joggers and fast walkers. When possible, move over to give them room to pass.
- When crossing a road and a car driver about to turn is allowing you the right of way, thank him/her by making eye contact or giving a polite smile or hand wave. Try not to stop suddenly.
- Do not take up the entire walkway. If walking in a group, try not to walk in a parallel line.
- Stick to one side of the walkway. When possible, avoid walking in the middle or changing sides on the walkway. This allows those who are moving faster than you to pass. If you are planning on passing another walker, announce yourself by saying out loud "on your left". Let other people pass you as well.
- Remain unplugged from phones, music or other distractions so you can hear background noise and potential hazards. It is okay to answer an occasional text or phone call or change a song, but do not go updating your Facebook status or uploading a picture on Instagram while walking. Not only is it dangerous, but it is inconsiderate when you walking slower than the people behind you.
- Don't multitask.

RIDERS SHARE THE CIRCLE.**

VETERANS

By: LOD resident **Lillian Gallego**

Defended our shores both far and wide,
with courage and strength you served with much pride.

Whether Army, Navy, Air Force or Marines,
you fought for freedom and worked as one team.

On land, on sea or in the air,
Triumph for peace is what you all shared.

Protected our country and others overseas,
through valor and fortitude accomplished your deeds.

Soldiers united for the purpose you've served,
battling for dignity that all people deserve.

Remembering those who are no longer here,
they're safe in our hearts and always near.

The star spangled banner and allegiance you've pledged,
for love of your country of the oath you said.

Thank you our Veterans for service you gave,
remembering your bravery for all you have saved.

Let's stand together all for one cause,
to honor you all with a well-deserved applause.

Dog Decorum: Tips for Dog Owners

Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident on the catwalk, elevator or common walking path, it is your job to clean it up.

Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. **No retractable leashes only 5 foot maximum.** Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

Play by the "Common Area" Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counterclockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon. **NO ESA dogs on the pool deck.**

Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

Just a Friendly Reminder - The Lakes of Delray is a NO Pet Community: All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork. Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies.

WELCOME TO THE LAKES OF DELRAY MEET AND GREET

Congratulations on choosing Lakes of Delray as your new home.

Whether you are an owner or a renter, you will find LOD to be a great place to live with numerous activities to keep you busy. To help everyone acclimate to your new homes and become aware of the myriads of activities the Lakes has to offer, the Board of Directors invites you to a Meet and Greet at which several board members, our property manager, and our wonderful community volunteers will give you an introduction and brief history of the Lakes and a detailed overview of our activities.

The Meet and Greet will be offered quarterly on the third Wednesday of the month at 10:30 AM in the Small Card room in our upstairs Clubhouse.

The next meeting is **Wednesday, December 17th, 2025**

The sessions usually last an hour or so. We will be serving a Continental breakfast at the meeting and will include a tour of our Clubhouse and pool area at the end of the meeting.

Please RSVP David Passman 917-543-6661 at least three days before the event.

We look forward to meeting you and hope you can join us.

Warmest Regards,

Dave Passman

Wednesday, October 8th, 2025

MINUTES

On Wednesday, September 10, Lakes of Delray, Inc. held its Board of Directors' meeting at 15055 Lakes of Delray Boulevard, Delray Beach, Florida 33484. Present were President Dave Passman, 1st Vice President Ed Simon, 2nd Vice President, Secretary Jessica Krulfeifer, Robin Warner, Treasurer Lonnie Aronson, Director Jayne Weiss, Director Harry Brudka, Director John Callanan, Director Mike Palais (via Zoom), Community Manager Ron Nolan, and Maintenance Manager Anthony Napoli.

The meeting was called to order at 10:00 a.m. by Dave Passman. Dave Passman then led the attendees to the Pledge of Allegiance.

President Dave Passman asked that a quorum exist. Secretary Jessica Krulfeifer said yes quorum existed.

Associations not present: Asland G, Pembridge B, Pembridge F, Watersedge A, Witney Manor C, and Witney Manor D.

President Dave Passman requests a motion to approve the meeting minutes for September 10, 2025. Lonnie Aronson seconds. The motion passed.

A vote to approve the minutes of September 10, 2025, has passed.

CORRESPONDENCE: Jessica Krulfeifer

PRESIDENT: Dave Passman

Welcome to the October 2025 LOD Board of Directors meeting. We see that some of you are back from up north or from the west, and we welcome you back to the community. We hope you had a great weekend.

We are going to have some minor changes in board attendance. The first one is that we have learned under the new Florida law that if you are a delegate and you are participating in a meeting either by phone or by Zoom, your presence is considered here. If there is anybody out there in Zoom land who is a delegate, please send a text to Jessica Krulfeifer, and you will be counted as being at this meeting.

In the next couple of months, Amanda Rance will be talking about the upcoming Annual Club Fair. All the clubs come out and introduce themselves. We are looking for new members and volunteers. We love our clubs. The Club Fair will be in January, without our Clubs, and the participation that helps differentiate LOD.

It's getting darker earlier, and more people are coming back. Please try to obey the speed limit. The life you save may be friends.

If you are on the property and see a defect in the community,

something in the road, or erosion caused by animals, please mention it to the office staff so that it can be repaired. Besides wanting to keep our property pristine, we do not want anyone to get hurt.

I had a resident ask me a strange question. Her building voted against the two-year ownership waiting period before you can rent. This means that someone can buy an apartment, move in, and immediately rent it out. I am not going to talk about the pros and cons of that. I think that we all understand that we live in a community where we are not running a hotel or running an Airbnb. The board cannot do anything about it. This is an Association issue. Please do what is right for the entire community.

Ron and I were over at the BBQ area. The grease stains are getting better. The two BBQs to the left were pristine. The two BBQs to the right need a little work. Thank you to all who have been trying not to spill grease on the pavers. We will be going into high season, and I'm sure we will have a few accidents. Ron has the maintenance crew power-washing the BBQ area there regularly. Thank you to everyone for trying to keep the area clean.

TREASURER REPORT: Lonnie Aronson

Year-to-date, our financial income is \$2,200,000, expenses are \$2,000,000, and the net is \$200,000 for the year.

CAPITAL CONTRIBUTIONS: Lonnie Aronson

The unallocated total is \$122,000.00. The allocated amounts outstanding are chair slings and the pickleball shade.

BINGO: Lonnie Aronson

Bingo had 138 players yesterday, and they are selling hot dogs for \$2.50. Bingo is asking you to save the date of January 17th, 2026. LOD and Bingo are co-sponsoring a dinner fundraiser for Epilepsy. Further information will be in the November LOD Times. We are getting a lot of support for this fundraiser, so don't hesitate to get a seat at this event.

ENTERTAINMENT: Lonnie Aronson

We have a lot of events coming up this month. The Halloween Dance will be held on Saturday, October 31st. We have a McGraw and Friends Tribute show on October 19th at 8:00 PM. Read your LOD Times and join us at the Clubhouse and have some fun.

GROUNDS: Jayne Weiss

The grounds look great. The flowers are blooming around the pool. The new palm trees at the pool look great. Lots of trimming is going on. The holiday lights will be going up soon, so we're looking forward to that, and keep an eye out for additional lights in the community.

COMMUNITY AFFAIRS: Ed Simon

RULES & REGULATIONS: Ed Simon

I am in the middle of assembling the work of the committee. Some changes were made and voted on. We hope to have these changes out to the residents by the end of the year.

WE CARE: Ed Simon

In a recent audit of supplies, we have found that we are running low on wheelchairs and canes. If you have an extra →

WE CARE: Ed Simon (cont'd)

chair or a cane or are borrowing an item, please consider dropping it off at the guard desk.

POOL/BBQ: Jessica Krulfeifer

The only issue we had over the summer on the pool deck was the hot pavers. We had some very hot days over the summer, and wearing pool shoes is recommended.

As Dave mentioned, the BBQ area and the grease stains on the brick pavers are not as bad as in the past.

LIBRARY REPORT: Jessica Krulfeifer

The library is doing well, and we are hoping to expand the shelving with the renovation. We received many donated books, and many are very good books.

COMCAST: John Callanan

Five weeks ago, we met with the senior Comcast team. We were promised a construction plan for the completion of the fiber optic cable to the units. We still do not have that plan. The senior VP of South Florida contacted me this morning to say that he will be getting involved now and will have a construction plan shortly. I think we have been hearing this for a year now, so we will keep our fingers crossed.

There is a lot of disruption in this organization. We have had two new community managers since July. We were also asked to supply a list of subscribers who have had a technician come out to resolve the pixelation and freezing screen issues. That list would be those people who are still having issues. The last representative that I heard about told a customer last weekend that there is nothing they can do to remedy those problems until the fiber optics installation is complete. This is the first time I have heard about this, but that is what I heard from their technical personnel.

With our consultant, we have decided to start the process of speaking to other providers to see what our options might be. We are at an early stage of this process, and we are locked into a contract right now. We will see how it goes.

CLUBHOUSE ACCESS PROJECT: Robin Warner

At this meeting, we will be voting on our general contractor. We have hired the architect, and once we hire the general contractor, the creative team is set. The architect will file for permits and start working with the creative team. October 31st will be our first look at any renderings.

LOD BISTRO: Robin Warner

We will have two Bistro events in November, the first is on Friday, November 7th, with Camp LOD. We will be selling fun camp food, hot dogs, bug juice, knishes, desserts, and with two fire pits. S'mores that will be free for all.

The Bistro will be selling a fall-time inspired menu on Friday, November 21st. We will offer: corn on the cob, corn cakes, and desserts, all reasonably priced. If you would like to volunteer for either of these events, please give me a call.

SPORTS: Robin Warner

The awning is up at the pickleball courts, and it looks great. We received some rain damage at the courts. Ron will be addressing the court damage, and it will be repaired.

The fall competitive pickleball season has begun, and we have 16 players in the fall league. The calendar is posted on the bulletin board at the pickleball area. Shuffleboard is back, and the courts have been resurfaced. The club will start on November 6th, they play every Thursday at 1:00 PM, and dues are \$10.

ENTERTAINMENT: Amanda Rance

We've got a lot of events in the coming months. All of our programs for October and November are published in the LOD Times. Here are a few gentle reminders and mentions:

October Events:

- Million Dollar McGraw and Friends Show- Sunday, October 19th at 8 pm. The artist and his band are flying in to perform a tribute to a few legendary Western/rock artists. Here's a preview of the expected show. This show is generalized as country western with elements of rock. Grab your tickets in the LOD office.
- VAST Presentation on Wednesday, October 22nd at 10 am. This is a complimentary lecture presented by the Palm Beach Sheriff's volunteer team. They are covering fraud/scam awareness. Sign up in advance at the office.
- Trivia Night with Michael Ross on Thursday, October 23rd at 7 pm. This event is played in teams. The host will help establish teams for those who do not have one. Grab your tickets in the office.
- Halloween Festivities on Friday, October 31st, start with BBQ food available for purchase at the pool from 4-7 pm. We anticipate a fun Trunk or Treat contest; however, if we do not have enough sign-ups, this part of the event will be cancelled. Closing out the night, we have our annual Halloween Boo Bash dance from 7:30-10:30 pm, which requires a ticket purchase.

November Events:

- LOD Volunteer Round-up on Monday, November 3rd at 10:30 am is dedicated to recruiting new volunteers to help our LOD committees continue to run successfully. Comes with a light continental breakfast along with a presentation from our LOD Board. Please submit your slips to the office to RSVP.
- Camp LOD on Friday, November 7th, from 6:30-9:30 pm is a poolside event that starts with a Tiki Fire Show and ends with an outdoor movie, "Meatballs." Café LOD will be selling a camp-inspired menu throughout the night. We will also have a complimentary s'more station with fire pits.
- Comedy Club Night on Sunday, November 16th at 8 pm includes a night of endless laughs with (3) different comedians and a charming MC. We are collecting pre-sale reservations, and tickets will officially go on sale starting October 14th at the office.

For more information on additional events in November and more details on the mentioned programs, please see the LOD Times.

NYE 2025:

The menu and reservation forms have gone out in the October LOD Times. We are now collecting reservations. Tickets will be issued starting December 16th. Here's a view of our table configuration. This will go in the November LOD Times, so you can see how tables will be laid out.

I'd like to leave off on a few mentions on the value of supporting Clubhouse events. I know you all hear us stress ➡

ENTERTAINMENT: Amanda Rance (cont'd)

this point often, but it's so important to do so. With so many residents in our community, it can be rather disappointing to see fewer than 50 people attend events that take so much time and effort to plan. Over the years, I've noticed an influx of non-residents continuously wanting to attend our events; I'd hate to see our programs outnumbered by non-residents when they are designed for you.

So, I just ask you to consider the following:

- If there's an event that you're on the fence about or need to know more about, call the office and ask questions.
- If there's a financial concern on ticket cost, we offer both minimal cost programs that range from a start of \$5 to even a FREE cost.
- If you have no one to go with, think about how many others attend our events solo and are hoping to meet people just like you.

If you are going to spend your money at outside events rather than your Clubhouse, remember that when you spend with LOD, your money is being recycled back to you.

We do have some remaining flyer packets for the building bulletins that have not been picked up. On your way out, please stop by the front table to pick up your packets. Ongoing, we are going to try and start distributing packets at our monthly board meetings. Thank LOD, have a great day!

PROPERTY MANAGER'S REPORT: Ron Nolan

- We are considering the Sims Road trap gate, so we can deal with the piggybacking issues. We have received a quote from one vendor. This will not be the simplest thing to do; one of the issues will be that once we install the trap. This will add another bar between the first bar and the swing gate. If there is any malfunction with the swing gate, you could be stuck between the gates. At Kings Point, they have the flexible delineators on the side of the lane, so you can drive back out if you're stuck. We cannot do that due to the lack of space. We are looking at solutions; the back gate may have to be reconfigured, and the guard house may have to be moved to accommodate the trap gate.
- Anthony took care of the roof leak in the ballroom. We have one minor drip in the small card room, and he will be working on that.
- As Robin mentioned, the shade awning is up at the pickleball area. I had a walk-through with the owner the other day and discussed the damage that was done to the pickleball court. We are also looking at root repair at the pickleball court, and we will get those repairs done together.
- Sidewalk repairs have been scheduled, but they have not given me a date. The Ashland A repair and paving is contracted and scheduled.
- The staff have just completed cleaning the awning over the BBQ area. As Dave mentioned, we do see improvements in the BBQ area regarding grease spills.
- Concerning the statutory website for documents, everyone will have the ability to sign on to obtain monthly documents and contracts. Same thing that you are doing for all Associations.

New Business:

Lonnie Aronson makes a motion to approve the 2026 budget and reserve schedule as proposed. Dave Passman seconds, all votes passed.

Lonnie Aronson makes a motion to select First Water General Contractor, subject to their latest proposal and final

negotiations. This is to give First Water a letter of intent so that we can move forward with negotiations to get an actual contract.

Harry Bruka Seconds, all votes, 9-0 passed.

Meet the candidates: Lonnie Aronson, Harry Brudka, Roy Filinson, Dave Passman, and Jayne Weiss.

GOOD AND WELFARE:

- ⇒ Debra Pem E, I want to compliment the board on the changes that have been made, the pool, the chairs, and the flowers. The list is tremendous. We are very proud to live here. We need volunteers, and let's make this the place we want you to be. We look forward to the renovation.
- ⇒ Paul WAT A, I would just like to announce that the Sing & Scene Club is performing a play here in the ballroom on October 22nd, from 7 to 8:00 pm. It is called the Wizard of Pickleball Land. The story is about friendship and how important it is for people to have friends. We have ten actors, two singers, and four stagehands. I would like to thank the Board and Amanda Rance for backing me for the last eight months. This will be free admission.
- ⇒ Lynn WAT C, the signs on Sims Road, can we get a larger sign, and the current signs are faded. Zumba is crowded, and can we have more classes? I am on the entertainment committee, and we need our residents to support what Amanda is doing. Please don't complain about having nothing to do.
- ⇒ Madeline Pem D, for New Years Eve, can you please instruct the servers that we be helping to not overload food on plates.
- ⇒ Karen TRO C, we are in the fifth year of our contract with Comcast. We get a raise in our maintenance every year for Comcast, and we are not getting what was promised: fiber optics. Why are we paying an increase when we're not getting what they promised?
- ⇒ Paul Pem C, why can't we have fountains in our lakes? I think they are attractive and increase property value.

The meeting was adjourned at 11:13 AM

Kate Cunnion respectfully submits.
