"I just had the best experience a person can have with a realtor. Judy Eller is the name. Judy knows everything there is to know about selling a home. Not only did she advise me on the price points but she was helpful in negotiating with the buyer. I recommend Judy highly."  
-Richard F.

"We listed with Judy and our property sold within days. She represented us very well. Judy helped us to find our beautiful new home here In Lakes of Delray. Judy's knowledge, patience, dedication & integrity made her a great choice. We could not be more satisfied."  
-Lisa & Harold

"Judy helped me when I unexpectedly inherited my aunt's apartment. She was my eyes and ears in Del Ray as I am in New York. Judy was extremely patient as we hit some snags with the probate court and was effective in working with both me and the buyer. I would highly recommend working with Judy for your real estate needs. 5 Stars!"

**ATTENTION RESIDENTS**

There are only two phone lines on the guest authorization system. This is an improvement over the previous system which only had one. In spite of the extra line, you may get a busy signal, particularly on busy mornings like Monday through Wednesday. Be patient and call again after waiting a minute or two. If you are unable to reach the system after multiple tries, you can call the office or the Clubhouse guard. DO NOT go over to the Guardhouse yourself.

**GUEST AUTHORIZATION**

Please remember that all guests must be called in, or on your guest list to gain entry to the community. Calling the guest authorization system requires that the phone number your are calling from is registered in our database in order to avoid the requirement to enter your phone number and security code when using that system. Anytime you change a phone number, be certain the call the office and update the number on record.

MESSAGE FROM YOUR PRESIDENT | POOL/BBQ AND LIBRARY | RULES AND REGULATIONS | PRESIDENTS FORUM

## President's Message

By: Bob Berger

I want to start off by thanking everyone who was involved with our St. Jude Children's Hospital fund raising program this year. The events started with the walk-a-thon, and continued with the tennis and pickleball classic, the mahjong and canasta game day, the comedy roast with the fashion show, the bingo luncheon and, of course, the LOD Bistro. We raised around \$16,000.00 for this great cause. On behalf of the Board of Directors I want to thank everyone for their generosity and we want to

thank all those who spent hours and hours of their time setting up the events, working at the events and for securing the raffle prizes.

We held our annual volunteer breakfast at the Delray Beach Country Club on March 22nd and I am happy to announce that Lonnie Aronson won the LOD Lifetime Achievement award and Lynn Tarant won the Volunteer of the Year award. Congratulations to both Lonnie and Lynn.

Here is an update for the construction projects. The decking repair part of the project has been completed. The electricians are working on the lights for the staircases and wall packs for the bathhouse. Even though the light poles have been wired the wiring needs to run through the spa construction zone and therefore the lights will not be operational until the completion of the spa. We ran into a bit of a roadblock securing the tanks in the pump room. We needed to be 100% sure that the work on those tanks would not compromise the integrity of the building and that problem has now been solved but the completion date for the spa had to be pushed back one more month to the end of April. The barbecue area will have to remain closed until the spa work has been completed. The painting of the rest of the clubhouse, the three bath houses and two guard houses is being done in house and hopefully those jobs will be completed in the not-too distant future.

It is that time of year when many of our snowbirds will be heading up north for the summer and I want to wish all of you a safe, healthy, and happy summer. We look forward to seeing you in the fall. And finally, for those celebrating, I want to wish you a happy Easter or Passover.

## LOD Pool/BBQ and Library

By: Jessica Krulfeifer

On February 23rd our main pool reopened to a very happy crowd! Although we had our two satellite pools open during the closure of our main pool, the socialization was different! It's back to normal, seeing everyone and catching up on our "Pool People". The construction continues with blast updates keeping us informed and we look forward to hearing that we're nearing completion.

The Library is a place of quiet solitude where one can peruse books by your favorite authors. We look forward to newer book and magazine donations to add to our shelves. I want to thank all the volunteers who continue to stop in on a regular basis to support the upkeep of our newly renovated library.

## Rules and Regulations

By: Harry Brudka

Neighbors,

With the re-opening of the main pool, it has become apparent that many residents have completely forgotten that there are rules and guidelines regarding the patio furniture on the pool deck.

The movement of the patio furniture has become a major problem that is damaging the furniture itself and wasting an extraordinary amount of the staff's time having to move furniture back to its original spot and resetting the entire pool deck daily. Dragging lounge chairs all over the pool deck is noisy and wearing on the leg glides like the tires on your car.

One of the biggest problems is that many residents have no consideration for their fellow neighbors and consistently clutter traffic areas so others, especially those needing wheelchairs, walkers or canes, can't walk through. This is not only inconsiderate, but a fire hazard. Traffic areas must be kept clear at all times. Please make sure there is a wide enough aisle between chairs and tables to maneuver a wheelchair and/or walker.

No one should be dragging a lounge from one side of the pool to the other. If you need to rotate a lounge to face the sun or your friends, go ahead, but dragging them all over the deck, and completely rearranging the deck as if it's your personal patio, is unacceptable. Lounge chairs are bulky and hard to move, so ask a buddy to help.

**REMEMBER...The LOD Pool Cabana Boy no longer works here.**

- Each table has four chairs assigned to it. For those neighbors playing games, chairs are for your butt, not handbags or totes... especially on a busy pool day.
- No furniture can be placed within four feet of the pool edge. Close the umbrella after each use.
- When 'borrowing' an empty chair from an occupied table, if possible, ask if you can use that chair. Just because nothing is on the chair at an occupied table does not mean it is not being used.

It's understandable that furniture movement happens when you sit together or play with a group of friends or neighbors, but please remember to move the item back to its original location...

LOD LANDSCAPING | CLUBHOUSE | JOIN OUR LOD C.O.P. | LOD DOG DECORUM/TIPS FOR DOG OWNERS

## Landscaping

By: Jayne Weiss

April showers bring May flowers! This past month we had lots of rain and our landscaping is blooming! I am glad to share that the landscaper has been very busy in and around LOD. The front entrance has been manicured and is being prepped for flowers. The overgrown trees have been trimmed. At Satellite Pool 1 the hibiscus was cut and the hedges were trimmed by the court area. Satellite 2 had foliage trimmed as well. The hedges along the circle are being cut down for better driving visibility too! So much cutting and trimming due to all the rain!!! Enjoy all the beautiful foliage! **Respectfully, Jayne**

## Clubhouse

By: Ed Simon

Refining things with our decorator is an ongoing process because usually a design change creates other changes, plus I want a more accurate budget number which is constantly fluctuating. In the beginning of this process, we looked at the entire Clubhouse overall, which means both levels. After a few iterations of the overall picture, we now are pretty much refining things room by room. We started upstairs with the Card Rooms, Lobby, Billiard Room Rest Rooms and Ballroom. Soon we'll be refining the downstairs: the Office, Conference Room, Library, Multi-Purpose Room B. Rest Rooms, Fitness Center, and the Art/Ceramic Room. It's a very long process but in the end it will be well worth it.

## C.O.P.

By: Lt. Hal Scherzer

While spending much of the past few months at no less than three different hospitals performing caretaking for my wife, I observed a volunteer run service that provided companion/therapy dogs to improve the mental state, and thus longevity, for many patients. This volunteer driven service was provided at all three hospitals and is known to provide tremendously positive results for patients through keeping them active and providing much needed companionship.

Here at LOD, we have another well known volunteer driven service called COP, which is not only a useful service organization, but also a community of social friends that can provide some of the same kind of activity and companionship that yields better quality of life and longevity. Would you like to live a little longer? Join the COP!

**Please contact me, Lieutenant Hal Scherzer at 267-481-0190 or Captain Sheldon Lyman 561-714-5710.**

### Always Pick Up After Your Dog:

Picking up waste from your dog is by far the #1 dog etiquette rule, because dogs' waste can spread disease, is harmful to the environment, and not picking it up is just plain gross. Don't aggravate other dog owners or neighbors walking outside – pick it up and toss it away in your HOA dumpster. If your dog has an accident in the catwalk, elevator or common walking path, it is your job to clean it up.

### Control Their Barking:

There is no bigger pet peeve for your neighbors than a dog that barks uncontrollably. Usually this occurs when someone knocks on the door, or they hear someone in the hallway that startles them. But barking can also happen when you're away, because they're sad, bored, or just miss you. If you have received noise complaints from neighbors, take it seriously and figure out what is causing your dog to bark.

### Keep Them on a Short Leash in the Community and in Your Condo Building:

I love my dog, you love your dog; but not everyone in the LOD is a dog lover. Residents may be afraid, allergic or just don't like dogs. Keeping your dog on a leash (preferably a short one) is the courteous thing to do, but it is also the law in Palm Beach County. It's also important when coming into entryways, catwalks, common areas, and elevators that your leash is short (i.e. 3- 4 feet) and that you don't let your dog charge into spaces or jump on residents. **No retractable leashes only 5 foot maximum.** Not every dog wants to meet your dog. When you are in a situation where you cannot avoid other dogs, ensure your leash is kept short. That way no interactions between dogs can happen. If a dog happens to show that he wants space, the best thing to do is keep moving past the dog. Stopping and allowing your dog to fixate will only make the situation worse. If you know other dog owners who have dogs that are friendly and they like to meet: that is great!

### Play by the "Common Area" Rules:

LOD has common areas which are shared spaces where both residents and dogs interact. It's not a personal playground, so play by the rules of the condo and be a good neighbor. When walking around the community counterclockwise, your dog should be on your right side along the grass (common area). The grass area and tall hedges on your left (in front of the condo parking lots) are private property. It's dangerous to walk your dog along the tall hedges because aside to being exposed to pesticides, they may end up in a fight with a wild goose, squirrel, or raccoon. **NO ESA dogs on the pool deck.**

### Avoid Wandering:

Always keep an eye on your dog to make sure they don't wander or run onto private property. As you walk them, keep them close to you, especially when you are talking on your cell phone.

### Friendly Reminder - The Lakes of Delray is a NO Pet Community:

**All Service and ESA dogs must be registered with the LOD Property Management Office prior to entry into the premises. Dog owners must provide to the Property Manager the following documents (required by Florida State law): Florida Mental Health Care provider prescription/letter for the ESA dog or certification/letter qualifying the service dog, Palm Beach County dog license along with current rabies vaccination paperwork. Dogs without these qualifying documents may be treated as a pet for purposes of LOD policies**

**Poliakoff  
Backer**

## About Our Community Association Practice

Poliakoff Backer is led by Managing Partner Keith F. Backer, an attorney with more than 30 years legal experience in Florida. Mr. Backer was formerly a partner with one of Florida's largest community association law firms. He founded his own law firm in 1995 as an antidote to the big-firm-syndrome; the experience clients endure when they are considered just one among many others and where there is little continuity and personal attention from their assigned lawyer. Poliakoff Backer does not try to compete with the large institutional law firms and the firm does not seek to emulate the way those firms serve their clients. Poliakoff Backer's goal is to provide personalized legal services and establish long-term personal relationships with a select group of clients, something larger firms often cannot provide because of frequent lawyer turnover. Our clients will never be shuttled from one lawyer to another and the firm will not grow to the point where the lawyers will not know their clients. The firm is committed to using technology that will improve the lawyers' and staff's ability to communicate and serve the firm's clients efficiently. PB HiTechCollect and Backer Report are examples of those efforts.

The Firm's community association practice includes representation in the collection of delinquent accounts, enforcement, drafting and interpretation of governing documents and rules, negotiation of contracts with vendors and contractors and litigation. The firm currently represents communities of all sizes; from condominiums with 12 units to homeowners associations with more than 2000 residences to master association country club communities with more than 3000 residences.

While the Florida Bar only certifies five percent of all Florida lawyers in their fields of expertise, Poliakoff Backer has three of its attorneys who have been Board Certified in Condominium and Planned Development Law by the Florida Bar.

Introducing Forte Tomasula, the incredible Tony Bennett Impersonator who prides his love in portraying many of the greats, particularly Tony Bennett. Forte has appeared on national TV show Dick Clark's "You're Big Break" on ABC as Tony Bennett, Legends In Concert Show in Atlantic City/ Boca Raton Florida/Philadelphia/Las Vegas/Tropicana in Atlantic City, performed in Sandy Hackett's Rat Pack Show Niagara Falls, NY. It was there that Forte presented Tony Bennett with the song Speak to Me [original song I wrote for him.] The show tribute to Tony Bennett includes many of the big band songs like For Once in My Life/Who Can I Turn To/San Francisco/Yesterday I Heard The Rain/The Best Is Yet To Come/Stepping Out With My Baby. With over 30 years of experience with Tony Bennett's tribute, we can assure that you are in for a treat.

# LOD Board Meeting Minutes

## LAKES OF DELRAY, INC.

### BOARD OF DIRECTOR'S MEETING

Wednesday, March 13th, 2024

#### MINUTES

The Lakes of Delray, Inc. held its Board of Directors' Meeting at 15055 Lakes of Delray Boulevard, Delray Beach, Florida 33484, on Wednesday, March 13, 2024. Present were President Bob Berger, 1st Vice President Ed Simon, 2nd Vice President Dave Passman, Treasurer Lonnie Aronson, Secretary Jayne Weiss, Director Susan Heiferman, Director Jessica Krulfeifer, Director Robin Warner, Director Harry Brudka, and Community Manager Ron Nolan

#### All Present:

The meeting was called to order at 10:00 a.m. by Bob Berger, who then led the attendees in the Pledge of Allegiance. Secretary Jayne Weiss declared that a quorum exists.

Verification of the Associations not present: Ashland G, Pembridge G, Pembridge H, Witney A, Witney B, and Witney Manor C.

President Bob Berger moved to approve the minutes of the **February 14, 2024, meeting, Ed Simon seconds.**

#### CORRESPONDENCE: Jayne Weiss

No Report

#### PRESIDENT Bob Berger

1. I'll start off with a construction update. The work on the deck is completed. The electrician is working on the lights for the stairs and the lights and the fans for under the deck have been ordered. Once again, the lights will not be operational until the spa is completed because the wiring needs to run through the spa construction zone. And speaking of the spa, the pump room has become a problem. We have had to hire a company whose job will be to secure the existing tanks in the pump room as well as the building. Ron will have more on that in his report. No shortcuts can be taken to ensure the integrity of the building. The company that will do this work is booked up and unfortunately, this will probably push the completion of the spa back to sometime in May. We have picked out the tiles that will go into the spa and I have asked Ron to order extra tiles that match the spa tiles so we can use them in the main pool. The main pool is not scheduled to be resurfaced for a few years, but it makes sense to buy the tiles now to make sure that we have them when we are ready to use them. We cannot install these new tiles in the pool now because draining the pool will dry out the existing marcite in the pool and we would have to redo the entire pool. The last time that was done was about 6 or 7 years ago. The pool was closed for a month and nobody wants to see the pool close again at this time. The main pool will need to be

resurfaced in a few years and when that happens, we will be able to have the tiles to match the spa.

2. It appears that we are under budget. We have left from the assessment money approximately \$353,000 and we still need to pay at least another \$289,000 that we know of and probably at least another \$30,000 for pavers in the spa area. It appears that we will not have to pay any additional money to Zarco Construction. We have the draft of the letter to fire Zarco but we were waiting for the change of contractor on the master permit to the company that is taking Zarco's place and that took place yesterday. We have told Zarco that they are done and so far they have not asked for any additional money. If they do ask for money I have been having pain in my neck because every muscle in my neck is irritated. I am in rehab for my neck and I am in a lot of pain when I type and even more pain when I have to sign a check. If Zarco asks for more money I do not think I will be able to stand the pain of signing a check for them so they are not getting any more money. The new decking company came in at, I believe, \$6,000 less than Zarco but once they started work, they found that they had to redo some of the patching that Zarco did and that will probably bring the cost back up to the original cost.
3. We were planning to have a grand reopening party with a full Café LOD with some new additions and we have been in touch with Becky Weinberg's band to play on the pool deck that night. They enthusiastically said yes and they told us that this is their favorite place to play due to the enthusiasm of our residents, but with the additional time it will take to finish the spa and put the barbecue area back together we probably will lose Becky because Bruce Springsteen is starting the European leg of his tour in early May and Becky is leaving for a home she and Max own in Italy. I believe in the third week of April she flies around from country to country under the guise of following the band, but she has told me that she likes to shop in the various countries where the band is performing. If we lose Becky, we will get her back here in the fall and we will get another band for the grand reopening party.
4. I mentioned at last month's meeting that we would mark off the air hose and vacuum parking as a no-parking zone. Anthony got stencils and paint and he completed that task. We ask that you park vertically into the parking spots while using the air hose and vacuum. I am still seeing residents parking horizontally over the two parking spaces and that stops a second car from pulling in. Please be courteous and pull your car into the parking spaces vertically. Also, when you are done adding air to your tires or using the vacuum, please put it back in its place and make sure you do not drive away with the hoses.
5. Our charity events for St. Jude's Children's Hospital were highly successful this year. We started off with our annual walk-a-thon which was well attended. After the walk-a-thon, we had the tennis and pickleball classic, the mahjong and canasta game day, the comedy roast with the fashion show, and of course, the LOD bistro. A lot of hard work →

**PRESIDENT:** Bob Berger (cont'd):

went into securing the various raffle prizes and purchasing the food for the LOD Bistro and other events including the bingo luncheon which will be held this Sunday. Sue will have more about the bingo luncheon in her report. Many volunteers worked extremely hard to organize and work on the various events. I cannot mention everyone, but I do need to thank the lead people which include Stan Sugerman, Robin Warner, Nancy Vitoff, Anita Katz, Barbara Papantonio, Meryl Menashe, Georgia Resnick, Ellen Kastin, Gail Messer, Sara Cohen, Sue Heiferman, Lynn Tarant, and Patricia Lynch. There were many more volunteers, and we thank you for your time and dedication to this great cause. So far, we have raised approximately \$22,000.00 and we will raise additional money at the bingo luncheon. Robin will also speak further about these events in her report.

- 6. For the second month in a row, I do not have a photo of Anthony standing in a hole, but we do have a photo of Anthony digging a hole. Speaking of Anthony, I want to congratulate him for passing his property manager test on the first try. Congratulations Anthony!
- 7. We received an email from a resident asking for a crosswalk at the intersection of Pembridge Avenue and Lakes of Delray Blvd. We took a look at that intersection which is near Trowbridge A and we agree a crosswalk is needed there, as well as about three other areas, and we are going to do this project in-house as soon as time permits. We are still in the process of painting the clubhouse, bathhouses, and guardhouses. We will get to the crosswalks as time permits after the painting jobs are completed.
- 8. Another project we are working on is adding the trap gate at the Sims Road entrance. We had one company come out to see the area and there are some obstacles as to where to put the trap gate, but we will figure that out and this project will get completed but it is going to take some time.
- 9. Iggy Trap, our iguanaologist, is back for round two, and we asked him to bring a few more traps than he had in round one. Ron pointed out to Iggy the most populated areas where we see iguanas and the extra traps were placed in those locations. Some people are calling the office and asking if an iguana trap could be located by their apartment. Please don't do that. The traps are being placed in areas with the highest density of iguanas and the traps will be moved around to different areas throughout the month that Iggy is here.
- 10. I have no update on the Lennar lawsuit, and we probably will not have an update for several months.

**TREASURER'S REPORT:** Lonnie Aronson

We do not have a financial statement for you today, we are currently waiting on our year-end audit from the CPA.

**CAPITAL CONTRIBUTIONS:** Lonnie Aronson

Capital Contributions year to date are \$218,000.

**ENTERTAINMENT:** Lonnie Aronson

**GROUNDS:** Jayne Weiss

I'm happy to report that the large oak trees in the front entrance that were hiding the palm trees have been cut down.

All the hedges have been trimmed and cut back at the Satellite pools. The medians around the development and the hedges that were blocking residents' views while on the road have been trimmed. We are making progress on landscaping; our development is beautiful, let's keep it that way.

**COMMUNITY AFFAIRS:** Dave Passman

The Alliance meeting for March was held at the Morikami Museum and Japanese Gardens. If you are not familiar with the Morikami Museum, this is a 200-acre Japanese Garden and Museum. They are currently building a hotel on the property. If you would like to visit, the senior citizen price is \$16.00.

The Palm Beach Sheriff's Office is reporting that the highest reported crime is a car thief. There are gangs from Miami coming into Palm Beach County to steal cars. The brand of car most stolen is Honda. Please be careful with your car; keep it locked. They have also reported that automobile crashes at our major intersections are down by 7%.

The PBC Sheriff's Office is sponsoring an Easter egg hunt at the Marketplace on March 23rd. The event is for families and children. Fire Rescue is reporting that they are building two to three additional fire stations in our immediate vicinity.

Jennifer Cirillo from the Palm Beach County Parks and Recreation was the speaker of the day. They are involved in economic development and environmental protection, housing and homelessness, substance abuse, and public safety. In Palm Beach County there are 8668 acres of parkland, which consists of 110 parks. PBC has received gold medals for excellence. They have added thirty-eight pickleball courts over the years. As older facilities age, they are focused on updating these properties. They are also working on safety, keeping people safe in these parks.

**CLUBHOUSE/FITNESS CENTER:** Ed Simon

Refining things and ideas for the Clubhouse is an ongoing process because usually a design change creates other changes. I want a more accurate budget number that is constantly fluctuating. In the beginning of this process, we looked at the entire Clubhouse overall, to get an overview as to what we were up against. Now we are refining things room by room. Soon we will be refining the downstairs: It is a very long process but, in the end, it will be well worth it.

**WE CARE:** Ed Simon

We need donations of wheelchairs and walkers that have seats. If you have one and you are not using it any longer consider donating it to We Care. Everything at We Care is on →

**WE CARE:** Ed Simon (cont'd):

loan to anyone who needs it. Sometimes the equipment is forgotten and not returned to us. Meryl Gordon has been reaching out to those who have checked out items and looking into whether they still need them so we can get them back into stock.

**POOL/BBQ:** Jessica Krulfeifer

Everyone was thrilled when the main pool reopened on February 23rd. That was a great weekend, everyone was catching up with each other. We were happy to have the satellite pools while the main pool was closed, but happier overall with the main pool up and running. Please remember to move your chairs back to where you found them. Try not to drag the chairs around the pool deck as they lose their rubber feet. If you need help moving a chair, please just ask.

**LIBRARY REPORT:** Jessica Krulfeifer

We are happy with the way the library turned out; we will be adding more seating. If you would like to donate books to the library, please limit books to newer publications and in good condition.

**BINGO:** Susan Heiferman

Bingo is going very well, we had 208 players with 108 guests last night. Everyone had a really good time with lots of big prizes. We will hold our annual Bingo luncheon on Sunday, with 106 people attending. We have a lot of great volunteers. We hope to raise a lot of money for St. Jude.

**SERVICE AND EMOTIONAL SUPPORT ANIMALS:**

Susan Heiferman

Please remember to always pick up after your dogs, and do not use retractable leashes.

**PHONE & COMPUTER HELP:** Sue Heiferman

I have been getting a few calls from residents for help with cell phones and most calls are for remote controls for cable TV.

**LOD BISTRO:** Robin Warner

We hope to have the Bistro up and running next season, but we need help from the LOD community. It takes a village to make that work.

**LOD SPORTS:** Robin Warner

There are so many people to thank who helped make the St. Jude fundraising event so successful. It's true to say it takes a village, but in this case, it takes a community. I cannot name all the names that made the tournament and bistro and raffle so amazing but there is one person that I must individually thank and that's Nancy Vitoff. There was no way that the Friday & Saturday Pickleball Classic, the bistro, and the raffle would have come together and run as smoothly and efficiently without her as my co-tournament director. We raised at least \$8,000 for St. Jude. The tournament was so successful that I was approached by the President of the Delray Beach Racket/Pickleball Club regarding future events. They also donated \$500.00 to St. Jude.

**ENTERTAINMENT:** Amanda Rance

Do I hear a "Murder on the High Seas?" Coming to the LOD Theatre, join our two-part Dinner Show on Sunday, April 14th from 7-9:30 pm. The Dinner Show will start at 7 pm and run for an hour. During this first hour, guests can enjoy a 4-piece variety band that will have you dancing on your feet. Also, during this hour, guests can bring in their dinner to enjoy at their tables. At 8 pm, there will be a short intermission before the interactive Murder Mystery show will begin. A Murder Mystery show is a combination of audience sing-alongs, dancing, and trivia, all while trying to solve a mystery together as a group. The show theme is a 1970's groovy cruise into paradise that ends in murder! Will you crack the mystery? We'll have to wait to find out! Tickets will be available starting March 18th in the LOD office.

Ending April with "health." Wednesday, April 17th, LOD will host our Community Health Fair. This event is designed to bring awareness to healthy habits and lifestyles as well as provide you with informational tools from medical professionals. Thank you all and together let us continue to make our community a fun place to be. Have a wonderful day!

**MANAGER'S REPORT:** Ron Nolan

I want to say thank you to everyone who participated in these fundraising events. Not just the volunteers who were crucial in making everything happen, but all the people who pitched in and opened their wallets and their hearts for a great cause. We reached the \$22,000 mark, and for those who are unfamiliar with our fundraising history, \$22,800 was the highest fundraising amount we ever reached. That was the year we had Sarge to attract a big crowd. The second-highest fundraising amount was \$16,500. With all the final totals we hope to beat that record amount of \$22,800.

**No new business****GOOD AND WELFARE:**

The Not Just Snowbird Club will be selling tickets for our BBQ to be held on April 11, 2024. The ticket cost is \$30.00. You cannot get your guest fee back if you forget your resident ID card for upstairs. Would the board consider having Yoga year-round? The board has considered this before, but generally, attendance is the issue. Walkers are not allowed to be left in the walkways at shows. The gate to the main pool is being left open and the automatic door close is broken. Clubhouse is working on this issue.
