Spider Cherry is the electrifying solo project of London-born musician **Nathan Mercado**, now based in Florida and rapidly building a distinct identity in the indie rock and alternative scene. Combining theatrical flair with raw musicality, his sound blends influences from piano-driven pop and glam with gritty, hook-laden rock dynamics. Born from years of global performance experience, from intimate bar gigs to larger festival stages, Spider Cherry's music is as expressive as it is unpredictable.

His artistry is defined by **high-energy performances, genre-defying compositions, and an ability to command attention with both instrumental prowess and charismatic storytelling.** Influences range from classic songwriting sensibilities to experimental rock textures, creating a sonic palette that's difficult to pin down but impossible to ignore. Known for a striking live presence,

Spider Cherry sets himself apart as a **rare performer who sings while playing two pianos simultaneously**, merging technical skill with raw, explosive energy. This unconventional approach reflects the project's core identity: fearless, truthful, and uniquely original.

WELCOME TO THE LAKES OF DELRAY MEET AND GREET

Congratulations on choosing Lakes of Delray as your new home.

Whether you are an owner or a renter, you will find LOD to be a great place to live with numerous activities to keep you busy. To help everyone acclimate to your new homes and become aware of the myriad of activities the Lakes has to offer, the Board of Directors invites you to a Meet and Greet at which several board members, our property manager, and our wonderful community volunteers will give you an introduction and brief history of the Lakes and a detailed overview of our activities.

The Meet and Greet will be offered quarterly on the third Wednesday of the month at 10:30 AM in the Small Card room in our upstairs Clubhouse.

The next meeting is **Thursday, May 21st, 2026**

The sessions usually last an hour or so. We will be serving a Continental breakfast at the meeting and will include a tour of our Clubhouse and pool area at the end of the meeting.

Please RSVP David Passman 917-543-6661 at least three days before the event.

We look forward to meeting you and hope you can join us.

Warmest Regards,

Dave Passman
